AMENDED POLICY NO. 16

DURATION OF DESIGNATION AS FINANCIALLY DISTRESSED DISTRICT

Effective February 1, 2004, Emergency Communications Districts that have been determined to be "financially distressed districts" pursuant to Tenn. Code Ann. § 7-86-304(d) shall remain subject to the supervision and evaluation of the Tennessee Emergency Communications Board for a period of not less than two (2) consecutive years of positive cash flow. For this policy, a positive cash flow for the ECD is defined as having funds available in the ECD's checking account and not being over thirty (30) days in arrears for any debt or obligation.
