NOTICES AND DISCLAIMERS

This list is provided in accordance with the requirements of Tennessee Code Annotated §55-4-407.

The Department of Transportation makes no representations and expressly disclaims any warranty that the information provided in this list of Vertical Clearances on public roads is current or accurate. The information provided in this list is generated from bridge inspections conducted on a biennial basis. Actual vertical clearances may be subject to change beyond the control or knowledge of the Department, and the posted vertical clearances may vary from the information provided in this list.

At all times, the affirmative duty to determine that the route traveled will allow the safe passage of any oversize load shall remain with the transporter thereof, and nothing in this list shall be construed as shifting this duty to the Department of Transportation.
