Introduction.....7

Module 1: Teaching Mathematics for Understanding

- **MKT: Mathematical Knowledge for Teaching.....18**
  - Classroom Planning Tool template.....21
  - Task Analysis Guide (TAG).....22
- **Classrooms that Promote Mathematical Understanding.....23**
- **Oral Language Needs for Developing Mathematical Understanding.....26**
- **Appendix**
  - Math Horizon Cards.....35
  - 2016 Tennessee Math Content Standards, Grade 1.....55
  - 2016 Tennessee Math Content Standards, Grade 2.....57
  - 2016 Tennessee Math Content Standards, Grade 3.....59
  - 2016 Speaking and Listening Standards, Grade 1.....62
  - 2016 Speaking and Listening Standards, Grade 2.....63
  - Accountable Talk® Features and Indicators.....64

Module 2: Developing Early Number Concepts and Number Sense

- **Spatial Relationships (Subitizing).....71**
  - Dot Plates.....71
  - Learning Patterns.....72
  - Dot Plate Flash.....73
  - Number Bonds.....74
- **One and Two More, One and Two Less.....78**
  - One-Less-Than Dominoes (1.OA.5).....78
  - Make Two-More-Than Set (1.OA.5).....78
- **Anchoring Numbers to 5 and 10.....79**
  - Ten Frame Flash Card (1.OA.6).....79
  - Number Talks with Ten Frames.....80
- **Part-Part-Whole Relationship.....82**
  - Covered Part (1.OA.8).....84
  - Missing-Part Cards (1.OA.8).....85
  - I Wish I Had (1.OA.8).....85
  - Number Sandwiches (1.OA.6).....85

- Sum Search....86
- BUMP....88
- Key Idea #1....90

- **Relationships for Numbers 10 to 20....91**
  - Build the Number with Hide Zero Cards (1.NBT.2, 2.NBT.1, 2.NBT.3)..93
  - Ten and Some More (1.NBT.2)....94
  - More and Less Extended (1.NBT.5, 2.NBT.8)....94
  - Key Idea #2....94
- **Numbers to 100: Early Introductions....95**
  - Patterns on a Hundreds Chart....96
- **Appendix**
  - Ten Frame Flash Cards....101
  - Hide Zero Cards....105
  - Ten and Some More Two-Part Mat....115
  - Number Talks....116
    - First Grade....118
    - Second Grade....120

Module 3: Place Value and Base Ten

- **Place Value Development....127**
- **Base-Ten Models for Place Value....131**
  - Groupable Models....131
  - Pre-grouped or Trading Models....132
  - Little Ten Frames....133
  - Non-Proportional Models....133
  - Developing Base-Ten Concepts....135
    - Counting in Groups (1.NBT.2)....136
    - Groups of Ten (1.NBT.2)....136
      - Get This Many....137
      - Fill the Tens or Loop This Many....137
  - Key Idea #3....138
  - Grouping Tens to Make 100....139
    - Too Many Tens (2.NBT.1)....139
- **Equivalent Representations....139**
  - Can You Make the Link? (2.NBT.7)....140
  - Three Other Ways (2.NBT.7)....141
  - Base-Ten Riddles (2.NBT.7)....142
  - Key Idea #4....142

- **Oral and Written Names for Numbers.....143**
  - Two-Digit Numbers.....143
    - Crossing the Decade Concentration.....144
    - Counting Rows of 10 (1.NBT.2).....146
    - Counting with Base Ten Models (1.NBT.5).....147
    - Tens, Ones, and Fingers (1.NBT.2).....148
  - Three-Digit Number Names.....149
    - Make Six Numbers (2.NBT.3).....149
    - Subtract 10 and 100 (2.NBT.8).....150
    - Looking at Numbers Every Which Way.....151
  - Written Symbols.....153
    - Key Idea #5.....153
- **Patterns and Relationships with Multi-Digit Numbers.....154**
  - Key Idea #6.....154
  - The Hundreds Chart.....154
    - Finding Neighbors on the Hundreds Chart (1.NBT.4).....154
    - Models with the Hundreds Chart (1.NBT.4).....155
    - Key Idea #7.....155
    - The Thousands Chart (2.NBT.2, 2.NBT.3).....155
  - The Trash Can Game.....156
  - 101 and Out.....158
- **Relationships with Benchmark Numbers.....159**
  - Who am I? (2.MD.6).....159
  - Who could they be? (2.MD.6).....159
  - Ordering Numbers Task.....160
- **Appendix**
  - Little Ten Frames.....163
  - Get This Many Worksheet.....165
  - Fill the Tens Worksheet.....166
  - Loop this Many Worksheet.....167
  - Three Other Ways Worksheet.....168
  - Counting Rows of Ten.....169
  - Trash Can Game.....170
  - 101 and Out.....171

Module 4: Addition and Subtraction

- **Connecting Place Value to Addition and Subtraction.....175**
  - 50 and Some More (2.OA.1, 2.NBT.7).....176
  - The Other Part of 100 (2.OA.1, 2.NBT.7).....176
  - Compatible Pairs (1.OA.4, 1.OA.6, 2.OA.1, 2.NBT.7).....177
    - Key Idea #8.....177
  - Close, Far, and In Between.....178
  - 11 More (1.NBT.5).....179
  - Number Squares, Sticks and Dots (2.NBT.7).....180
  - Base Ten Bag: Addition (2.NBT.7).....181
  - Hundreds Chart Addition (1.NBT.4, 2.NBT.2).....182
- **Moving to Computational Fluency.....183**
  - Direct Modeling.....186
  - Invented Strategies.....186
  - Standard Algorithm.....189
  - Mental Computation.....190
  - Invented Strategies for Addition and Subtraction.....191
  - Number Lines.....193
  - Adding and Subtracting Single Digits.....194
  - Subtracting by Counting Up.....197
  - Take Away Subtraction.....198
  - Key Idea #9.....199
- **Task Arc.....201**
  - Grade 1 Task Arc.....202
  - Grade 2 Task Arc.....204
- **Appendix**
  - Place Value Disks.....211
