INSTRUCTIONS FOR COMPLETION OF MONTHLY TERMINAL OPERATOR RETURN AND APPLICABLE SCHEDULES

GENERAL INFORMATION

This form is used to report Terminal activities involving fuels other than gasoline. Complete all information at the top of the form including terminal operator name, address, terminal code, month and year of return, location address, account number, and FEIN. **A separate terminal operator return must be completed for each terminal in Tennessee.** This return is due to be filed by the last day of the month following the activity.

GENERAL INFORMATION - RECEIPTS AND DISBURSEMENTS

TERMINAL OPERATOR SCHEDULE OF RECEIPTS - Schedule 2A is to be submitted in support of Line 2 of the terminal operator return. Complete schedule at the top showing terminal operator name, account number, terminal code and month/year of return. **Indicate product type.** Each receipt must be itemized reflecting the name of carrier, carrier's account number, mode of transportation, position holder/ supplier name, position holder account number, date received, document number, net gallons and gross gallons for each product. **Complete separate schedules for each type of product.**

TERMINAL OPERATOR SCHEDULE OF DISBURSEMENTS - Schedule 4A is to be submitted in support of Line 4 of the terminal operator return. Complete schedule at the top showing terminal operator name, account number, terminal code and month/year of return. **Indicate product type.** The schedule should reflect name of carrier, carrier's FEIN number, mode of transportation, destination state, position holder/supplier name, position holder's FEIN, date shipped, document number, net gallons, and gross gallons for each product. **Complete separate schedules for each type of product.**

TERMINAL OPERATOR SCHEDULE OF INVENTORIES - Schedule 1/7A provides detail of ownership of accountable products in a terminal by a position holder. It allows the State of Tennessee to determine where a certain taxpayer's inventories are located within the state.

INSTRUCTIONS

TRANSACTIONS FOR THE MONTH

Line 1 **Beginning inventory -** Enter the number of net gallons for each product on hand at the terminal. Beginning inventory must agree with closing inventory reported for the previous month. Attach a statement of explanation if the beginning inventory does not agree with the prior month's closing inventory.

Line 2 **Total receipts -** Enter the number of net gallons for each product received into the terminal. Enter totals from Schedule 2A.

Line 3 **Total gallons available -** Total of Line 1 and Line 2.

Line 4 **Total disbursements -** Enter number of net gallons for each product disbursed from the terminal. Enter totals from Schedule 4A.

Line 5 **Gallons available -** Line 3 minus Line 4.

Line 6 **Gains and losses -** Enter the net number of net gallons gained or lost during the month for the account of each position holder.

Line 7 **Ending inventory -** Enter the number of gallons for each product on hand at the terminal. Ending inventory must agree with beginning inventory reported for the next month.
