ITB # 32906-13165 IS AMENDED AS FOLLOWS:

1. State responses to questions and comments in the table below amend and clarify this ITB.

Any restatement of ITB text in the Question/Comment column shall NOT be construed as a change in the actual wording of the ITB document.

QUESTION / COMMENT	STATE RESPONSE
I am confused about the Catalog Discount Line. Are you guys asking us to supply a list of additional items not on this bid along with our MSRP Price and what your discount would be? Example we have detention mirrors, grab bars, bunks, etc. Do we tell you what the MSRP price is for those items with your available discount so if needed you all could use this PO and order additional items	The Catalog discount line is for any customized solutions that may not be notated in the workbook. Examples would be steel bunk beds and custom desk sizes or tables needed that are not outright listed in the specifications. The Respondent would bid a percentage off the MSRP discount for those unique solutions.

2. ITB Amendment Effective Date. The revisions set forth herein shall be effective upon release. All other terms and conditions of this ITB not expressly amended herein shall remain in full force and effect.
