

**Tennessee Department of Mental Health  
and Substance Abuse Services**

**Behavioral Health Safety Net of Tennessee (BHSN of TN)**

The Department of Mental Health and Substance Abuse Services collaborates with community mental health agencies across the state to provide BHSN of TN services that include assessment, evaluation, diagnostic, therapeutic intervention, case management, peer support services, psychosocial rehabilitation services, psychiatric medication management, labs related to medication management, and pharmacy assistance and coordination.

If you are 19 years of age or older, reside in Tennessee, with a household income at or below 100% of the FPL, have a qualifying primary mental health diagnosis, and lack behavioral health insurance coverage, you may qualify for the BHSN of TN. To view a complete list of eligibility requirements for the program, visit: <http://www.tn.gov/mental/safetynet.html>

To apply for the BHSN of TN please contact one of the following Community Mental Health Agencies. You may also visit <http://www.tn.gov/mental/safetynet.html> to view counties served by the agencies below including site/contact information.
