

Application for the 2018 Tennessee Governor's School for the

Arts

at

Middle Tennessee State University

General Information

The Tennessee Governor's Schools offer Tennessee high school students intensive learning experiences on postsecondary campuses. Each school system is encouraged to share the Governor's School information and applications with strong students who meet the criteria listed below. Nominations for the Tennessee Governor's Schools must be made by high school educators who can speak to the student's potential for success in the program. Each Governor's School convenes an application review committee to select the students invited to attend each school.

Submitting the Application:

Completed applications should be mailed by the nominating educator to the respective Governor's School(s). Applications submitted directly by students will not be accepted. The student may keep a copy of the application, excluding the confidential *Teacher Reference* forms and the confidential *Counselor/Administrator Verification* form; the nominating educator should keep one complete copy of the submitted application package.

Application Submission Instructions

Ensure applications are complete, arranged in the correct order, and contain all required signatures and documents as outlined below.

- 1. Nominating educators must submit applications with a postmark no later than the deadline(s) listed on page two of each application.
- 2. Each Governor's School has specific essay and writing sample questions. All questions must be answered and submitted with the application packet.
- 3. Class rank, class size, numerical test scores, etc., must be verified by the school counselor or school administrator, if available. Please note that while PSAT, SAT, and ACT scores are not mandatory, school administrators are strongly encouraged to include this information if available.
- 4. Students are to list two teachers (see school-specific list) to complete the confidential *Teacher's Reference* forms. If the teacher is not the faculty member nominating the student, he/she should return the completed reference forms directly to the nominating educator. There is a space available at the bottom of the teacher reference form to put the name of the school personnel to whom the form is to be returned.
- 5. An official transcript must be included in the application packet.

Additional guidance on completing the required forms can be found on page 3 of the application packet, "Application Checklist."

Governor's School for the Arts

Middle Tennessee State University
June 1 - June 24, 2018

The 2018 Governor's School for the Arts program will include music, visual arts, theater, filmmaking, and dance. Going beyond performance and appreciation activities, students will experience the development of specialized activities within their chosen focus area.

- <u>Music</u> Students participate in one of the following groups: orchestra, wind ensemble, chorale, harp and piano ensemble. They take classes in theory, conducting, improvisation, world music and participate in chamber music or an opera workshop. They also rehearse within their groups and present several concerts.
- <u>Theatre</u> Students participate as performers and design/technicians. Each student will study all
 areas of scenery, costuming, sound, lighting, and other forms of stagecraft. In addition, all
 students will study and develop skills in performance, including acting, stage combat, voice, stage
 movement, and other aspects of the performing arts. All students in theatre work as an ensemble
 to produce a finale production.
- <u>Visual Arts</u> Students take classes and workshops in clay, drawing, painting, sculpture, printmaking, computer imagery, photography, video and a wide selection of other visual arts technologies. Student work is displayed to the public in the art department gallery. During the session, visual arts students are offered individual assistance in skill development, counseling on developing portfolios for college admission, and finding personal approaches to making art.
- <u>Dance</u> Students take classes in ballet and pointe technique, modern, jazz, partnering, anatomy & kinesiology, folk & multi-cultural dance, and other dance forms. In addition, students are provided a number of informal and formal performance opportunities including the culminating experience of producing a major dance performance.
- <u>Filmmaking</u> Students are introduced to both the theory and technical aspects of filmmaking. Through lectures, films and hand-on experiences, students will learn the three aspects of filmmaking: pre-production, production, and post-production. Student projects will include Self-portrait, Process, and a 5-10 minute Narrative Short as the final project which will be submitted to the Nashville Film Festival.

Students who wish to apply for more than one (1) Arts area must fill out separate applications for EACH area. For example, a music student applying for 1) Music/Oboe; 2) Music/Voice and 3) Visual Art must submit a complete application packet for EACH of those three areas. All tenth or eleventh grade students who submit a complete application packet, and postmark it on or before the deadline will be invited to audition in person at Middle Tennessee State University during the 2018 spring semester. Students must audition in order to be considered for acceptance into the program. Additional information about the audition process is available at the end of this application packet and at www.gsfta.com.

In addition to the paper application, students must also submit an online form at http://gsfta.com/2018-online-student-data-form/.

For harp

- In addition you will be given a tonal memory and/or sight reading exam

For percussionists

- timpani solo
- snare solo
- mallet solo
- sightreading on your choice of tympani, snare or mallets

Auditions in theatre

The students have three options in application: 1) Performance Only, 2) Design/Tech Only, or 3) Both.

Please Note: If selected for the summer program, the student will be assigned specifically as either **Performance** or **Design/Tech**. If students apply for both **Performance** and **Design/Tech**, they will be accepted to *only* <u>one</u> aspect of the program.

Theatre Performance Auditions/Interviews

Students interested in theatre (**Performance Only <u>OR</u> Performance & Design/Tech)** will be required to complete the following audition/interview process:

The Audition

Prepare your audition piece to fit the time limits allowed.

- If acting only, the time limit is sixty (60) seconds
- If singing only, the time limit is sixty (60) seconds
- If singing and acting, the time limit is a total of ninety (90) seconds
 - YOUR TIME BEGINS WITH THE FIRST WORDS YOU SAY, which should be your Name and Number.
- If time is called, stop, repeat your name and audition number, and exit the room.
- An audition accompanist is provided. Bring sheet music with beginning and ending measures
 clearly marked and any cue lines noted. Music must be in the correct key; the pianist will not
 transpose.
 - o **No one may sing without accompaniment.** Auditionees cannot accompany themselves on a musical instrument, nor are taped accompaniment or acapella singing permitted.
- No props are allowed. A chair may be used and will be provided.

The Audition Procedure

NOTE: Many people will be moving in and out of the audition and holding areas. MTSU is not responsible for personal belongings, phones, tablets, music players, etc. Please leave these items with a friend while you are auditioning. If you must keep these items with you, please make certain they are **TURNED OFF** before entering the audition room.

- 1. Auditionees should report to the holding area near the audition room at least **30 minutes** prior to their anticipated audition time. Auditionees who miss their time will be rescheduled at the END of the day.
- 2. Each person will be escorted into the audition room. The first auditionee taking the "on deck" chair. When signaled by the Timekeeper, they will proceed to the stage where they will state their name and audition number, and present his or her audition piece. After your monologue and/or song, you should repeat your name and number. Even if time is called, you should repeat your name and number before you exit the stage.
- 3. When the person before you moves into the room, you will move to the "on deck chair"
- 4. After your performance audition, you will interview with the Area Coordinator of the Theatre Area.

Audition Tips & Things To Consider

- Audition with your strengths. If you are a strong comedic actor, choose a comedic monologue. If
 you are a strong character actor, choose an appropriate piece. If you are not a strong singer, it is
 better not to sing.
- Choose a character as near your age as possible and within your age range.

- Avoid unnecessary vulgarity. College professors are rarely shocked, but they can be turned off.
- Memorize and rehearse your piece exactly as you intend to perform it INCLUDING YOUR NAME AND NUMBER. (Remember that your name and number at the beginning of your audition are a part of your 60 or 90 seconds)
- Avoid sitting, kneeling or lying on the stage floor as this may present sightline problems and you want everyone in the room to see you.
- If singing, get help picking a selection that shows your strengths. Perhaps choose the end of a song or a climactic vocal passage.

Design/Technical Theatre Interviews

Students interested in theatre (**Design/Technical Only OR Performance & Design/Tech)** will be required to complete the following interview process:

1) Each applicant **MUST** participate in an **interview** to determine his or her interests, commitment, habits, plans, ambitions, maturity, and general knowledge of theatre. Students will be asked about experiences and interest in all areas of Technical theatre ---including costuming, makeup, sound, lighting, scenery, properties, and all other aspects of stagecraft. The interview will last approximately five minutes. For the interview, the student may bring any photographs, drawings, art work, craft work, portfolios, and models etc. that they would like for adjudicators to see. In evaluating applicants, a wide range of experiences and interests will be considered since selected students will study all aspects of technical theatre.

Interviews in Filmmaking

Each applicant should bring with them to the interview site a portfolio of 10-15 photo stills that tell a narrative story with a beginning, middle and an end (photoroman); a 1 page story idea of their own; a 1-3 page paper about their favorite film or director that shows how the student sees and experiences this medium, including elements used in this film or by this director that makes this film or the director's work likable; and, a short video, film or animation (optional). Each student will participate in an interview to determine his or her interests, commitment, habits, plans, ambitions, and general knowledge of filmmaking.

Interviews in Visual Arts

Students interested in the visual arts should bring with them to the interview site a portfolio of **eight (8) pieces of their best artwork. No materials should be mailed.** The portfolio should include (1) some variety of media, approaches and subject matter and (2) some evidence of personal vision, focus and motivation. Work may include any variety of drawings or other works from direct observation (landscape, still life, figurative, etc.), three-dimensional works, design work, photography work, etc. Students should not try to show work in every technique they have experienced. The work should show some knowledge of color theory, understanding of composition, value, etc. Applicants should not bring large or heavily framed works or works that are dangerous or too delicate (however, students may show such works in photographs or slides). Sketchbooks are also appropriate. Ultimately, the ideal portfolio simply shows that the student cares about making art and works hard at doing the best work possible. Judges will complete the review of the portfolio on the interview date so that the student may take his/her works home

after the interview.

Auditions in Dance

Students will participate in a two-hour dance technique class, including ballet and modern dance/contemporary, as their audition. Candidates are asked to warm up on their own in the studio before the audition begins. The studio will be open to you at 1pm prior to class beginning at 1:30pm. After the two-hour technique portion of the audition, students will be asked to talk briefly (interview) with the adjudicators.

The ballet portion of class will include pointe work for the ladies. If you are not comfortable on pointe please communicate with the Audition Coordinator before the audition begins. We will make accommodations for you. Gentlemen will be asked to demonstrate jumps and turns while the ladies are changing shoes.

Ladies should wear a solid colored leotard, pink tights, ballet shoes and no leg warmers or shorts. Men should wear black tights and ballet shoes. Hair should be properly secured off the neck, preferably in a bun. Gentlemen may wear either a leotard or a white T-shirt as long (as it looks professional) and black tights. No leg warmers, sweatshirts, or baggy plastic pants, please. Both men and women will be asked to dance barefoot for the modern/contemporary portion of class. It is advisable for each of you to wear tights that can be converted easily. Students must perform at an intermediate or advanced level, and must demonstrate a high level of sustained interest and involvement in dance.
