Forest Legacy Grant (F)  
US Fish & Wildlife Service (USFWS) Recovery Land Acquisition Grant (F)

**Comment:** Per TCA 67-4-409, this property is on the state lands acquisition priority list and has been approved for purchase by the Commissioner of Environment and Conservation, the Commissioner of Agriculture and the Executive Director of Tennessee Wildlife Resources Agency.

The Sherwood Forest acquisition is a multi-agency project that will protect critical natural resources. The property is contiguous to the Carter State National Area and Franklin State Forest. The Conservation Fund, in collaboration with The Land Trust for Tennessee, will purchase the tracts and transfer to the State. The federal match is being provided by USFWS. The State contribution is approximately less than 15% of the purchase price. No additional management costs are anticipated with this acquisition.

DEPARTMENT OF TRANSPORTATION

**Disposal – Fee (Land)**

**Requested Action:** Approval of disposal in fee with waiver of advertisement and one appraisal

**Transaction Description:** Transaction No. 16-02-011-FB  
● **Location:** Shelby County – 0.186+/-acres - North side of Sam Cooper, Memphis, TN  
● **Grantee:** Greg Touliatos  
● **Estimated Sale Price:** Fair Market Value

**Comment:** The subject property is surplus to the agency’s needs and lies between Sam Cooper Boulevard and Autumn Avenue, a City street. The Memphis City Council has approved the abandonment of Autumn Avenue pending the acquisition of the subject parcel by the Grantee. The result of the abandonment of Autumn Avenue is that the Grantee would be the sole adjoining landowner to the subject property. The subject property was appraised by a TDOT appraiser pursuant to TCA §12-2-112(a)(8)(C)(i). Given that the appraised value of the subject property is low; the land area of the subject property is so small that it is extremely unlikely to be useful to any other party; and the Grantee will become the sole adjoining landowner, it is in the best interest of the State to convey the subject property directly to the Grantee.

Date of Last Transfer: 1968 - 1969  
Previous Owner: Multiple owners  
Original Cost to State: \$63,660 (larger tract)  
Square Footage Improvements: None

**SSC Report:** 03/14/2016 Steve Lusk summarized the transaction. Staff referred to Executive Subcommittee for recommendation
