FROM: Tyler Nowin, Sourcing Analyst
DATE: March 27, 2017
SUBJECT: RFQ 30504-01717 Amendment 3 Clarification

Dear Respondents,

It has been brought to my attention that Amendment 3 contains an error. Question # 23 and the State's response on the Questions & Comments document is as follows:

Q: Is it possible to extend the Due date for the RFQ response by up to 5 working days?

A: The due date for the technical response has been amended to be due by 03/29/2017 2:00pm CST.

This information is incorrect and should reflect the current schedule of events. The correct due date for the technical response is 04/12/2017 at 2:00pm CST.

I apologize for any confusion that may have occurred.

Thank you,
