Accidental Death and Dismemberment Policy Amendment #1

MINNESOTA LIFE

Minnesota Life Insurance Company - A Securian Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

To be attached to and made a part of Group Policy No. 34295-G issued by Minnesota Life Insurance Company to State of Tennessee. This amendment is effective as of the dates indicated below. Continued payment of premiums shall constitute acceptance of the conditions stated in this amendment.

1. The "WAITING PERIOD" section of the Employee Certificate Specifications Page is amended to read as follows:

WAITING PERIOD: Employees regularly scheduled to work 30 hours a week or more: The period commencing with the employee's date of hire and ending on the 1st day of the month following the date of hire.*

* For newly hired employees the effective date of coverage will be the first day of the month following one full calendar month of employment.

Seasonal employees hired prior to July 1, 2015 certified as working 1,450 hours per fiscal year: The period commencing 24 months from the employee's date of hire and ending on the 1st day of the month following the completion of the 24-month requirement.

2. The definition of "employee" is being modified to only include seasonal employees who are hired prior to July 1, 2015.

As a result, the "eligible employee" definition of the Group Term Life Insurance Certificate has been modified to read as follows:

employee

An individual employed by the State who:

- (1) is regularly scheduled to work not less than thirty (30) hours per week; or
- (2) has received a seasonal appointment and who meets the requirements set forth in TCA 8-27-204(a)(3); or
- (3) is deemed eligible by applicable federal law, state law, or action of the State Insurance Committee.

Effective June 26, 2015

The definition of spouse has been modified to read as follows:

What members of your family are eligible for insurance under this supplement?

The following members of your family are eligible for insurance under this supplement:

- (1) your legally married spouse who is not legally separated from you and who is not eligible for insurance as an employee under this certificate; and
- (2) your natural (biological) children, stepchildren, adopted (including a child placed for adoption in anticipation of adoption) children, children for whom you are the legal guardian and children for whom the plan has received a qualified medical child support order requiring the child to be enrolled in a health insurance plan pursuant to the State and Federal statutes. Children are eligible from live birth (stillborn or unborn children are not eligible) to the attainment of age 26. A child age 26 or older who is mentally and/or physically disabled and incapable of earning a living may have coverage continued as long as the incapacity existed before his or her 26th birthday and the child was already insured under this plan on his or her 26th birthday.

If both parents of a child qualify as eligible employees under the group policy, the child shall be considered a dependent of only one parent for purposes of this supplement. If any child qualifies as an eligible employee under the group policy, he or she is not eligible to be insured as a dependent child.

Any dependent child who, subsequent to the effective date of your child life insurance, meets the requirements of this provision will become insured on the date he or she so qualifies.

Transition issues:

Employees electing spouse coverage as a result of The United States Supreme Court ruling have until August 25, 2015 to add coverage. Couples who marry after July 25, 2015 will have the standard 31 days to enroll. Requests to add spouse coverage may be completed online if elected within 31 days of the event. Elections made after 31 days, but before August 25, 2015 can be completed by submitting an Optional Group Term Life Insurance Enrollment Form and Evidence of Insurability Form found on LifeBenefits.

As a result:

- The Accidental Death and Dismemberment Certificate of Insurance is being replaced in its entirety with the Accidental Death and Dismemberment Certificate of Insurance EdF83849 7-2015, and
- The Employee Certificate Specification Page effective January 1, 2014 is being replaced in its entirety with the Employee Certificate Specification Page effective July 1, 2015.

Agreed to by Minnesota Life Insurance Company this 18th day of August 2015.

Can this policy be amended?

Yes. The insured's consent is not required to amend this policy or any certificates issued under it. Any amendment will be without prejudice to any claim for benefits incurred prior to the effective date of the amendment.

Can an insured employee's coverage be continued during sickness, injury, leave of absence or temporary layoff?

Yes. Insurance may be continued on an insured employee who is not actively at work due to sickness, injury, leave of absence or temporary layoff, subject to the employer's practices and procedures, including the employer's limits on the length of continuation allowed for the type of absence as described in the Leave of Absence Addendum attached to this policy. Continuation is contingent upon continued premium payment.

Continuation of insurance must be in accordance with practices and procedures that preclude individual selection.

Coverage during a leave of absence and upon return from a leave of absence shall meet all state and federal requirements. The limits will be expanded if necessary in order to meet such requirements.

Premiums

When and how often are premiums due?

Unless we have agreed to some other premium payment procedure, premiums for this policy are paid to you by the employee and then remitted to us monthly. Premiums are due on the premium due date shown on the first page of this policy. We apply premiums consecutively to keep the insurance in force.

Can the premium be adjusted?
