QUESTION / COMMENT	STATE RESPONSE
<p>1 Bank reference: I have a bank for personal finances, should I still attempt to get a letter from them for good standing?</p>	<p>A statement of good standing from your banking institution should be submitted as part of your proposal.</p>
<p>2 Regarding section A.4 “positive credit references” I only buy things on a personal level not for business. Should I still attempt to find references.</p>	<p>Personal references can be provided in lieu of business references in the event you are responding to the RFP in your personal capacity.</p>
<p>3 Regarding section A.5 credit report: I obtained my credit history and it is around 100 pages of history do you need all pages? Also, it’s just my credit history no score, is this acceptable?</p>	<p>If you are responding to the RFP in your personal capacity (i.e., not as a business entity) a summary of your credit report, usually provided in the first few pages of your credit history, is sufficient, although you may provide as much or as little as you feel will meet the requirements of the RFP.</p>
<p>4 I have been an adjunct faculty member for Northeast State Community College (TBR Institution) for the last few semesters. Am I still eligible to submit a proposal?</p>	<p>The State shall not consider a response from an individual who is, or within the past six (6) months has been, a State employee. For purposes of this RFP, a current or prior employee of a Tennessee Board of Regents institution is NOT deemed a State employee and therefore a response shall be considered by the State.</p>
<p>5</p> <p>Is there any data regarding standardized rates or historical data that may be available?</p>	<p>Contract 39312, for a West Tennessee Field Representative, is \$240 per written exam administered; \$250 per exam to administer or assist in the administration of practical exams, \$370 per exam to administer combined written/practical exams; and \$20 per exam to grade Fire Officer 1 examinations. The maximum liability of this five (5) year contract is \$105,450.00.</p> <p>Contract 38591, for a West Tennessee Field Representative, is \$205.70 per written exam administered; \$250.12 per exam to administer or assist in the administration of practical exams, \$283.52 per exam to administer combined written/practical exams; and \$22 per exam to grade Fire Officer 1 examinations. The maximum liability of this five (5) year contract is \$93,536.40.</p>

QUESTION / COMMENT	STATE RESPONSE
	<p>Contracts 37898 and 37899, for a Middle Tennessee Field Representative and East Tennessee Field Representative, respectively, are \$267.50 per written exam administered; \$250.00 per exam to administer or assist in the administration of practical exams, \$445.00 per exam to administer combined written/practical exams; and \$8.50 per exam to grade Fire Officer 1 examinations. The maximum liability on each of these five (5) year contracts is \$113,575.00.</p>
<p>6 “Respondents Legal Entity Name”: is this my full name or does this mean I need a business to be awarded this contract??</p>	<p>Proposals should include the Respondent’s legal name. A business entity is not required in order to be granted a contract award.</p>
<p>7 Are there any guiding documents available besides the directions for the proposer?</p>	<p>The instructions provided within the RFP apply solely to this RFP. Additional general information regarding the procurement process can be found at the State’s procurement website, located at https://teamtn.gov/cpo/</p>
