DIRECTIONS TO TENNESSEE DOT OFFICES: (James K. Polk Building/Tennessee Performing Arts Center)

Coming into Nashville from the south on I-65 at about mile marker 82, **bear right** ONTO I-24, then **bear left** at the I-24/I-40 junction.

- Pass Shelby Street exit and then **leave the interstate** by the James Robertson Parkway exit which loops and carries you under I-65/I-24 toward Nashville.
- Cross the Cumberland River and pass the Metropolitan Nashville Courthouse on the left and the domed Sheriff's Department Building on the right.
- **Turn left** at 4th Avenue, a one-way street moving south. The Municipal Auditorium (a large domed building) will be ahead on the left-hand side before turning left onto 4th Avenue.
- **Turn right** at the next light onto Charlotte Avenue.
- **When you turn onto Charlotte Ave**, there is a commercial parking lot on the left behind and to the side of the church on your left. This lot is accessible from Charlotte Avenue and 5th Avenue (5th Avenue is a one-way street moving north).
- **There is** also a commercial parking lot on Deaderick Street between 4th & 3rd Avenues (with entrances on Deaderick Street & Charlotte Avenue).
- **The front entrance of our building** is between 5th and 6th Avenues on Deaderick Street. You may find an open **parking meter** in front of our building on Deaderick, but the maximum stay is thirty minutes per deposit & is **parking prohibited after 4:00 p.m.** **NOTE: Towing** begins at 4:00 p.m. at the meters on Deaderick Street.
- Visitors must stop by the **security desk** in the lobby of the ground floor of our building where you are required to provide proper photo identification. You will then be given a temporary visitor's pass that includes your picture.
- The high-rise **elevators** are beyond the security desk. The **first set** of four elevators serves floors 1 through 7. The **second set** of four elevators serves floors 7 through 18.
