Landscape Architect Registration by Comity

You may fill out forms and applications online. The forms and applications have to then be printed because they must be signed and/or notarized.

Note

Tennessee **does not grant temporary licenses**. You must be registered prior to the offering or rendering of professional landscape architectural services.

Law and Rules

The Law and Rules can be accessed from the Board's home page. The registration law for architects, engineers, landscape architects, and registered interior designers is found at *Tennessee Code Annotated*, Title 62, Chapter 2.

Before submitting this application, you must have met the minimum education, experience, and examination requirements for registration, because the application fee is **not refundable**. You must meet both Tennessee's statutory and regulatory requirements for registration **and** hold an unexpired CLARB Certificate.

Applicants for registration by comity must

- request that the Council of Landscape Architectural Registration Boards ([CLARB](#)) (571-432-0332) forward their council certificate/record to the Tennessee Board office and
- meet Tennessee's minimum education, experience and examination requirements, found in *Tennessee Code Annotated*, Section 62-2-304 (comity), Part 8 (qualifications) and the Rules of the Board (specifically, Chapter 0120-1, rule 0120-1-.09 on references and 0120-1-.12 on education and experience).

Review Procedure

When your application packet is complete it will be circulated among the members of the Landscape Architect committee for review. The review may take up to eight weeks.

Fees

Make check payable to the **Tennessee Department of Commerce and Insurance**.

Application Fee – **\$55** (non-refundable)

Biennial Registration Fee – **\$140** (if approved)

Submit the application fee with your application. To facilitate processing your application, the registration fee may also be paid at this time, but is not required. If you are not approved for registration, the registration fee will be refunded. If you are submitting both fees, please make the check in the amount of **\$195.00**.

Forms

(1) Application Form –

- Fill out the application form completely (on-line or after downloading it), sign it, and have it notarized. Any major modification of state approved forms may cause the Board to reject your application.
- Provide detailed information in regard to design work on projects, progressive in nature, to enable evaluation of experience. All time/experience must be accounted for whether it is related to landscape architecture or not. You must show the minimum required years of experience at the time of application.

(2) Reference Form –

- In addition to the three references included in your CLARB record, you are required to submit two additional references.
 - Of the five total references, three must be from registered landscape architects, architects, or engineers who are personally acquainted with your technical ability.
 - References are required from both a current employer/supervisor and a past employer/supervisor (if applicable).
 - No more than three (3) references can be from a place of employment.
- References from relatives are not acceptable.
- You are responsible for sending reference forms to the persons listed on your application who will then submit them directly to the Board office.

(3) Firm Disclosure Forms –

If your firm does not have a valid disclosure form on file with the Board office, you will need to submit the appropriate disclosure with your application. A search for valid firms can be made by [clicking here](#). See pages 12-14 for more information and firm disclosure forms.

Pending Status

An application that lacks required information or reflects a failure to meet any requirement will be held in a “pending” status for five (5) years from the date of the application.

Review Procedure

When your application packet is complete, it will be circulated among the members of the Landscape Architect Committee of the Board for review. The review may take up to eight weeks.

Professional Privilege Tax

All architects, engineers and landscape architects registered in Tennessee with an active registration status as of June 1 in a given year are required by State law to pay to the Department of Revenue an annual professional privilege tax. This tax should not be paid at the time of application. If your application is approved, and your registration status is active on June 1, you will be billed for the tax by the Department of Revenue. CORPORATION, PARTNERSHIP, AND FIRM DISCLOSURE

LAW

The firm disclosure form is required of corporations, partnerships, and firms practicing or offering to practice architecture, engineering, and/or landscape architecture in the state of Tennessee in accordance with *Tennessee Code Annotated* (T.C.A.) Title 62, Chapter 2, Part 6, Sections 62-2-601 and 62-2-602. Firms offering only interior design services are not required to file a disclosure with the Board.

The firm must have one Tennessee registrant in responsible charge of the firm's Tennessee practice, even if the firm uses the plural form of "architect", "engineer", or "landscape architect". If the firm's name incorporates individuals' names in conjunction with the plural form of architect, engineer, or landscape architect (for example, Smith and Jones Architects), it is not necessary for each named person to be registered, so long as the firm name, taken as a whole, is not misleading to the public, and there is at least one Tennessee registrant at the firm.

The law can be accessed from our home page listed above or you may obtain a copy by contacting the Board office at the address above.

FIRM DISCLOSURE

This form is for firm disclosure, not firm registration. No fee is required.

Only officers and principals who are employed full-time and hold active Tennessee registration can be in responsible charge of the firm's practice.

- A "principal" is considered to be an individual who has the authority to make independent design decisions. He/She is not required to be an officer in the firm.
- The person in responsible charge must be registered in the profession in which services are being offered.
- A person cannot be in responsible charge of more than one office.

TENNESSEE BRANCH OFFICE DISCLOSURE

The Tennessee branch office form (Attachment A) should only be completed if: 1) the out-of-state firm has branch offices in Tennessee, or 2) a Tennessee-based firm has more than one office in Tennessee.

- A branch office form ([Attachment A](#)) should be completed for each branch office (city or town) located in Tennessee from which professional design services are offered to the public.
- The registrant in responsible charge of a Tennessee branch office is not required to be an officer or principal.

Forms

The form(s) that follow these instructions may be filled out online. The forms must then be printed and signed. The completed form may be mailed or faxed to the Board address above, or submitted electronically to cynthia.toombs@tn.gov.

Please retain a completed copy for your records. Advise the Board, in writing, within sixty (60) days of any address change. Submit a new firm disclosure if reporting any other changes such as a firm/company name change, changes in registration status of principals or officers, changes in principals or officers who are designated to be in responsible charge, etc.

Board Contact

If you have any questions regarding the firm disclosure requirements, please contact Cindy Toombs, Firm Disclosure Coordinator, at the phone numbers listed above or by e-mail at cynthia.toombs@tn.gov.
