MEMORANDUM

TO: All Fire Service Program Students

FROM: Roger Hawks, Executive Director

DATE: October 19, 2009

SUBJECT: Fee Increases for TFACA Fire Service Program Classes

Effective January 1, 2010 TFACA will adjust tuition fees charged for all fire service related classes. This increase is necessary to help offset increased cost within the program. This increase was announced during the TN Fire Chiefs meeting in Kingsport October 16, 2009.

The tuition fee increases will be as follows:

1. Increase tuition by \$5.00 per student per class. This increase will include all classes except Live Firefighting that is addressed in item 3 below.
2. The discount given to registered volunteer fire departments since the fee increase in 2007 will be eliminated.
3. Live Firefighting will increase \$10 per student.

Codes class tuition, dormitory fees nor meals will not increase at this time.
