12	\$57,000
13	\$58,000
14	\$59,000
15+	\$60,000

Notes

Teachers advance 1 year of experience with each subsequent year of employment.

The salary max-out point for teachers hired on this salary scale is \$68,000. Teachers who earn a performance-based increase which will bring their base salary over that amount are eligible to receive their performance increase in the form of a bonus instead (if base salary increases are implemented).
