

## Preschool LRE Data Collection Worksheet

This planning worksheet is for optional use during the IEP team meeting. See the [Preschool LRE Data Collection User Guide](#) for detailed steps and definitions. Complete the following responses for entering the required placement data on the Preschool Environments page in TN PULSE.  
**Note:** The environment should reflect both LEA- and parent-provided placements.

Student Name: Enter text.                      State ID: Enter text.                      Date: Enter text.

**Is the student enrolled in a regular early childhood program (ages 3-5, not in kindergarten)?**    Yes     No

**If yes, list the number of LEA-provided regular early childhood program hours per week:**  
 None  or number of hours:                      Program/School Name:

**If yes, list the number of parent-provided regular early childhood program hours per week:**  
 None  or number of hours:                      Program/School Name:

**Total hours per week attending a regular early childhood program:**

**Where does the student receive the majority of special education and/or related services?**  
 Regular education program                       Outside of the regular education program   
 (A1 or B1 placement)    (A2 or B2 placement)

**If no, is the student enrolled in a special education program?**                      Yes     No

**If yes, select the location of services:**  
 Special education classroom                       Separate school                       Residential facility     Name of School/Facility:  
 (C1 Placement)    (C2 Placement)    (C3 Placement)

**If no, is the student receiving special education and/or related services in the home/residence of the student’s family or caregiver?** (Caregiver may include childcare provider/babysitter)                      Yes     No

If yes, the placement category = D1  
 If no, the placement category = D2

- The student is counted in the “Service Provider Location or Some Other Location That is Not in Any Other Category.”
- Examples of D2 placements include walk-in/drop-in services
