Dear Colleague,

On behalf of the Tennessee Department of Correction and the Sex Offender Treatment Board, I extend to you a warm invitation to the annual Sex Offender Treatment Conference. Our Conference theme is **Integrating Policy with Emerging Practices**.

The conference will be held from August 9 – 11, 2009 at the Sheraton Music City in Nashville, Tennessee. This hotel is a beautiful setting and numerous amenities are available for guests of the hotel. We urge you to register early for the conference and reserve your hotel room by July 10, 2009 to take advantage of the discounted rate. You may register online at:
<http://www.state.tn.us/correction/tsotb/annual2009.html>.

A copy of the conference program is attached for your review. Several important changes have been made to the conference structure:

- New Provider Training is now titled “Adult Treatment Intensive Track” and is 2 full days.
- New Providers specializing in **juvenile treatment** should enroll in the “Juvenile Treatment Intensive Track”.

We hope that the conference provides you with opportunities to increase your knowledge, network and have a good time.

With best wishes,
