From I-40 eastbound take Papermill Rd Exit 383. The exit ramp road splits - stay in the far left lane.

Turn left onto Papermill Rd at the traffic light at the end of the exit ramp.

Stay on Papermill Rd until it ends at the T-intersection with Liberty Street. Turn left onto Liberty St and stay in the left lane.

Cross railroad tracks and at the first traffic light make a left onto Middlebrook Pike.

KEFO Building is on the right, but set back off the road and the entrance is easy to miss because of a curve in the road.
