

TENNESSEE DEPARTMENT OF REVENUE
December 1, 2008

Alphabetical list of Tennessee cities indicating applicable local sales tax rates. Rates listed for the cities include the county tax rate and any city imposed tax rate. In order to determine the county in which a city is located, compare the code number with the alphabetical county listing on page 4. Multiple listings of a city indicate that the city is located in more than one county.

NOTE: The maximum local tax that can be levied is 2.75%. The levy of the tax by a county precludes, to the extent of the county tax, any city or town within the county from levying the tax, but a city or town shall at any time have the right to levy the tax at a rate equal to the difference between the county tax and the maximum rate authorized.
