Opioid Abatement Council Emergency Meeting

- Thank you for joining the Opioid Abatement Council's Emergency meeting.

- All are welcome. Guests' audio and video will be disabled.

- Council members, please leave your camera on and mute yourself when not speaking

- This meeting is being recorded.

Introductions & Role Call

- **Dr. Stephen Loyd** - Chair, Opioid Abatement Council

Agenda

- Review and discussion of the SmartSimple platform

- Standards Committee

- Brief update on recovery housing

SmartSimple

Cost
- STS states that the cost will be $30.00 per application. So, with each application the OAC receives for the community grants, the charge is $30.00.
- However, TDMHSAS is considering whether or not charge the Opioid Abatement Council for this, as it might be more efficient and cost-effective for TDMHSAS to absorb the cost.

Timeline
- STS states that if the OAC approves the use of this platform this week and a decision to move forward is made within the next couple of weeks, they can meet the July 5 go-live target date. This includes a May 1 testing date.
- A Project Manager has already been assigned to this program and has met with the OAC Office to develop an implementation plan. She will ensure the efforts keep to the timeframe.
