GENERAL INFORMATION

Brief Description/Purpose:The G-W Online Textbook / Student Center six-year classroom subscription allows online access, in school or at home, for six consecutive years. A classroom subscription is for a shared group of students and teachers, and with the total pricing based on the number of users who require access. The G-W Online Textbook provides fast, page-at-a-time viewing from any browser-based device including iPads®, netbooks, PCs, and Mac computers. Features of the Online Textbook / Student Center include:

- Exact page reproduction, including figures and formulas
- Linked table of contents
- Search capabilities to find specific topics
- Full text search with relevancy ranking to quickly locate passages of interest
- The ability to quickly jump to specific pages
- Full screen reading mode with zoom capabilities
- Permission to print selected pages for offline reading
