

Old Stone Fort Archaeological Society

December 2014

The Old Stone Fort Archaeological Society will meet **Thursday, December 11th at 6:00 pm** at the Old Stone Fort Museum in Manchester, Tennessee. The purpose of this Society is to learn more about prehistoric Native American cultures and the early historic period of Tennessee. Our meetings are scheduled for the second Thursday of each month and are **free** and open to the public. Our program this month:

Mark Norton
who will present
Archaeology Soup 2014

This presentation will provide a glimpse at a number of prehistoric and historic archaeological projects in Tennessee. Past and present investigations at the Glass Mounds in Williamson County, recent tests at Hawthorne Hill in Sumner County, Sellars Mound in Wilson County, historic cemetery relocation in Davidson County, and a possible new obsidian find in Houston County will be discussed.

Thanks to Ranger Josh Waggener for his presentation on the Confederate gunpowder mill at the November meeting.

See you Thursday, Mark
