

# Old Stone Fort Archaeological Society

October 2008

The Old Stone Fort Archaeological Society will meet **Thursday, October 9th at 6:00 pm** at the Old Stone Fort Museum in Manchester, Tennessee. The purpose of this Society is to learn more about prehistoric Native American cultures and the early historic period of Tennessee. Our meetings are **Free** and open to the public. Our meeting this month features guest speaker:

**Dr. Tanya Peres**

*who will present*

## **Zooarchaeology at Castalian Springs**

Dr. Tanya Peres is a zooarchaeologist at Middle Tennessee State University. Dr Peres will describe her research at the Castalian Springs site in Sumner County, Tennessee, where many different animal species have been recovered. Dr. Peres will also talk about other research projects she has been involved in including her recent work on an underwater archaeological site in Scotland.

I encourage you to bring bone artifacts with you to the October meeting. I want to extend thanks to Dr. Kevin Smith for the wonderful program on Mississippian period culture that he provided at our September meeting.
