# Earth Day Compost Facility Tour

- In celebration of Earth Day, TDEC invites you to visit the Sevier Solid Waste Inc. Compost Facility Friday at 12 pm – right after the close of this conference and before you head home.
- This is the largest municipal solid waste compost facility in North America!
- Sign up at On-Site Registration to reserve your spot!
- Tour participants will meet at the SSWI facility, 1831 Ridge Rd in Pigeon Forge for this hour tour.
