Prior Service Credit for Assistant Victim Witness Coordinators:

The executive director of the Tennessee District Attorneys General Conference shall certify the entry level of compensation awarded to assistant victim witness coordinators of the district attorneys general based on prior service credits. Assistant victim witness coordinators for the district attorneys general shall be entitled to prior service credits as follows:

- (1) Prior experience as a victim witness coordinator, an assistant victim witness coordinator or other experience in the district attorneys office shall be eligible to receive year-for-year credit.
- (2) Post secondary education degrees shall be eligible to receive year for year credit, with a maximum of four (4) years credit given.
- (3) Prior experience in a judicial branch agency shall be eligible to receive half credit.
- (4) Prior experience in an agency with law enforcement responsibilities shall be eligible to receive half credit, so long as they performed law enforcement duties/victim witness duties. (This shall be effective for anyone originally employed on or after 12/1/03.)
- (5) No credit will be given for part time employment.

* Salaries calculated for hybrid retirement plan effective 7/1/2014
