Usage Instructions:

*Please note: State Agencies are required to purchase energy star certified appliances. Check with your appliance provider for a list of energy star certified appliances. You may also request this information from the contract administrator. Agencies must follow all statutes, rules, and policies that apply to appliance purchases. Pricing is a set discount off of appliances under awarded categories.

To view products, go to the Ice-O-Matic catalog that is included in the contract documents. Select the product that meets your needs and apply the 62.5% discount. Create a contract release order (CRO) and associate the contract and category item ID to it. Send the CRO to B&P Ice Machines.

Requisition and Purchase Order Generation:

When creating a requisition to purchase from any of the above contracts, be sure to insert item ID that can be found in the line description. Once this is done, go to the line details link and manually add the contract. Please contact the contract administrator if you have questions.
