## ABOUT THE BOARD OF ATHLETIC TRAINERS

The Board of Athletic Trainers was created in 2006 to succeed the Board of Medical Examiners in the licensing of Athletic Trainers. An athletic trainer is a person with specific qualifications as set forth in

Tennessee law who, upon the advice, consent, and oral or written prescriptions of a physician, carries out the practice of prevention, recognition, evaluation, management, disposition, treatment, or rehabilitation of athletic injuries, and in carrying out these functions the athletic trainer is authorized to use physical modalities, such as heat, light, sound, cold, electricity, or mechanical devices related to

prevention, recognition, evaluation, management, disposition, rehabilitation, and treatment.

The Board is authorized to issue licenses to qualified candidates who have completed appropriate education and successfully completed required examinations. The Board is responsible for the investigation of alleged violations of the Practice Act and rules and is responsible for the discipline of licensees who are found guilty of such violations.

The administrative staff of the Division of Health Related Boards supports the Board by issuing licenses to those who meet the requirements of the law and rules.

### Renewal of License

Licensees are responsible for renewing their licenses on time and keeping the Board apprised of changes affecting location and name as this facilitates timely notification from the administrative office. Renewal notices are mailed from the Board's administrative office forty-five (45) days prior to the expiration of the license to the current address on record. Licenses can be renewed on-line sixty (60) days prior to expiration at <https://apps.tn.gov/hlrs/>. It is a violation of the law and of the Board's rules to practice on an expired license.

## LEGISLATIVE UPDATES

### Public Chapter 154

This act allows the Commissioner of Health or his designee to have electronic access to medical records to facilitate investigations when responding to an immediate threat to public health. Today the Commissioner of Health or his designee already has this authority but must go to the facility to review the medical records. This took effect on April 16, 2015.

### Public Chapter 94

This act defines "abuse" and "neglect" for purposes of placing a person on the registry of persons who have abused, neglected or misappropriated the property of vulnerable individuals specifically within the statutes that govern the Dept. of Health. It does not impact the definitions within the statutes that govern the Dept. of Intellectual and Developmental Disabilities nor the Dept. of Human Services. It also increases the time within which placement on the registry may be appealed from 30 to 60 days. For rulemaking purposes, this bill became effective on April 10, 2015. All other provisions became effective on July 1, 2015.

### Public Chapter 502

This act allows the Joint Government Operations Committee (the legislative committee that reviews all rules) to stay a rule up to 75 days instead of 60 days. Present law authorizes the Joint Government Operations Committee to consider the following factors when reviewing rules: authority, clarity, consistency, justification, necessity and reference. This act adds arbitrariness and capriciousness as two new considerations.

- Up to ten (10) hours of the thirty (30) hour requirement may be from Class II activities as provided in paragraph (6).
- Four (4) of the hours required in parts (3) (a) (1) and (3) (b) (1) must consist of ethics and jurisprudence education courses and are required every renewal cycle.

## MEETINGS OF THE BOARD

The Board has scheduled meetings throughout the year for purposes of conducting administrative business concerning ratifying licenses, promulgating rules, disciplinary matters, etc. The five (5) members of the Board meet twice annually, are appointed by the Governor, and serve three (3) year terms. A quorum of three (3) members is required to conduct business. The meetings are open to the public. The Tennessee Open Meetings Act passed by the General Assembly in 1974 requires that meetings of state, city and county government bodies be open to the public and that any such governmental body give adequate notice of such meeting.
