

The performance of clinical laboratory tests that are waived by the Tennessee Medical Laboratory Board must be reported to the Board's administrative office utilizing the *Notification of Waived Testing Form* found at:

<http://health.state.tn.us/boards/MedLab/PDFs/PH-3653.pdf>

\*please do not submit this form until the CLIA number is obtained.

Information on the performance of waived testing procedures by pharmacies may be found under the Medical Laboratory Board's rules and regulations, rule 1200-06-03-.17:

<http://health.state.tn.us/boards/MedLab/index.htm>

The complete list of board-approved waived tests that can be performed in Tennessee under the above rule can be found:

[http://health.state.tn.us/boards/MedLab/PDFs/MedLab\\_WaivedTestPOC.pdf](http://health.state.tn.us/boards/MedLab/PDFs/MedLab_WaivedTestPOC.pdf)

Remember that CLIA is the governing body for laboratory operations throughout the nation and administered by the federal government.

Tennessee has its own regulatory board for the practice of laboratory medicine.
