

BUDGET AND FINANCIAL ANALYST / FINANCIAL ACCOUNTANT

APPLICATION DEADLINE IS THURSDAY MARCH 10, 2016 AT 11:59PM

Division: Accounting
Reports to: Controller
Location: Nashville, TN
Full-time/Part-time: Full time
Salary Grade: 32
Monthly Salary Range Minimum: \$3,498
FLSA Classification: Exempt (03)

Critical features of this job are described under the headings below. They may be subject to change due to changes in our business processes or other business-related reasons.

POSITION SUMMARY: Serves primarily as a Budget and Financial Analyst, performing advanced budgetary / financial analysis relative to receipts, expenditures and other payments, encumbrances, fund transfers, revenues and grants; performs data research and development projects of THDA's accounting and proprietary line-of-business systems; performs selected duties of the Financial Accountant position, which include performing advanced professional accounting relative to receipts, expenditures and other payments, encumbrances, fund transfers, revenues and grants; approximately 50% budget and financial analysis, 50% financial accounting functions.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Essential duties and responsibilities of the Financial / Budget Analyst include the following. Other duties may be assigned.

- Performs difficult budget analytic work relative to budget preparation or other purposes.
- Prepares budgetary material into THDA's operating budget document for submission to the Board of Directors, Department of Finance and Administration, State Senate and/or House of Representatives, or other oversight body as may be required.
- Maintains files of budgetary information.
- Performs routine and ad hoc financial analysis of THDA's financial operations as directed by the Accounting division management team and/or the Chief Financial Officer.
- Assembles fiscal and statistical data for use in budgetary evaluations and budget hearings; attends budget hearings.
- Performs indirect cost analysis, including the preparation of the Agency's indirect rate proposal and routes such through management to the Agency's cognizant agency in compliance with applicable Federal guidelines.
- Researches budget exception errors as noted in the State of Tennessee's Enterprise Resource Planning (ERP) system, Edison, and resolves such as appropriate.
- Assists in establishing budgetary expenditure controls, including, but not limited to, the posting of budgetary journal entries into THDA's accounting system, establishing appropriate budget-to-actual variance reporting, and other similar financial analysis.
- Assists the Controller with financial/accounting technology research and development projects associated with the accounting and proprietary line-of-business applications systems used by the Accounting division.
- Handles the accounting function of assignment grouping of accounts and/or subaccounts, (such as bond resolutions, operating accounts, grant segments, etc.), including, but not limited to, entry of appropriate journal entries, periodic reconciliations, preparation and maintenance of appropriate financial schedules, and other associated tasks.

- Reviews and approves Federal drawdowns through the applicable Federal government data systems.
- Records Automated Clearing House (ACH)/fedwire deposits into Edison in compliance with established procedures and practices.
- Reviews the federal drawdown Accounts Receivable ledger, and researches and resolves aged items; reconciles the Accounts Receivable ledger to THDA's General Ledger.
- Prepares statistical journal vouchers for Federal administrative fee revenue, and enters such into Edison.
- Enters journals into THDA's accounting system and/or Edison based on appropriately supported and documented evidence.
- Reviews financial transactions of THDA's operations, including preparing periodic journal entries to record the results of such transactions, and performing subsequent reconciliations to ensure that such journal entries are appropriate.

MINIMUM QUALIFICATIONS

The requirements listed below are representative of the knowledge, skills, and/or abilities required.

Education and Experience:

- Bachelor's degree in accounting or finance, or a Certified Public Accountant (CPA) in good standing.
- One year of experience in professional accounting or financial/budgetary analysis work.

The above qualifications express the minimum standards of education and/or experience for this position. Other combinations of education and experience, if evaluated as equivalent, may be taken into consideration.

Knowledge, Skills, Abilities, and Competencies:

- Considerable knowledge of financial/data analysis, basic accounting theory and practice, and auditing and data processing.
- Knowledge of current business practices and principles, bonds, grants, and governmental accounting.
- Ability to transfer data from accounting/financial/data systems into other programs, such as Microsoft Access, Excel, Word, etc.
- Ability to perform difficult financial analysis using Microsoft Excel, Access, or other professional software systems.
- Strong accounting skills and good basic math skills.
- Excellent verbal and written communication skills.
- Builds and maintains positive relationships with internal and external constituents.
- Strong organizational skills.
- Strong time management skills; uses time effectively; consistently meets deadlines.
- Documents regularly, thoroughly, accurately, and completely.
- High level of detail and accuracy.
- Ability to work effectively and efficiently within a team environment.
- Exercises good and consistently fair judgment, courtesy, and tact in dealing with the staff and public in giving and obtaining information.
- Computer literate; proficient in Microsoft Word, Excel, Outlook, and the internet; able to effectively adapt to and use other computer systems as needed for daily activities.

Special Demands:

The special demands described here are representative of those that must be met by a staff member to successfully perform the essential functions of this job.

- While performing the duties of this job, the employee is regularly required to sit; stand; use hands to finger, handle or feel; and talk and hear.
- The employee is occasionally required to walk; reach with hands and arms, and stoop, kneel, or crouch.
- Specific vision abilities required by this job include close vision, distance vision, and the ability to adjust focus.
