MEMORANDUM

TO: Commission Members

FROM:  Wynnise Roehrich-Patrick
Executive Director

DATE: 3 September 2014

SUBJECT: Intergovernmental Challenges and Achievements, Biennial Report of the
Tennessee Advisory Commission on Intergovernmental Relations, Fiscal Years
2012-13 and 2013-14

The biennial report on the Commission's work for fiscal years 2012-13 and 2013-14 is submitted for your approval. The report, required by the Tennessee General Assembly, follows the general framework established in previous reports and provides an overview of important program areas—eminent domain, land use, water utility districts, municipal boundary changes and growth policy, blight, and infrastructure—addressed over the two-year period. The full scope of the Commission's work is evidenced in the lists of publications, presentations, relevant legislation, and meeting summaries included in the appendixes.
