

**New Interchange at Broad Street/  
Memorial Boulevard/ Old Fort Parkway**

Contractor: Bell & Associates Construction

**Project Update**

Summer is here! With longer days and improved weather, progress has increased significantly on the project. As utility relocation nears completion, contract crews are moving forward with other work.

Bell & Associates is currently working on retaining walls for the southwest ramp, which runs along the south side of SR 96 between the CSX overpass and the Broad Street intersection. Foundations

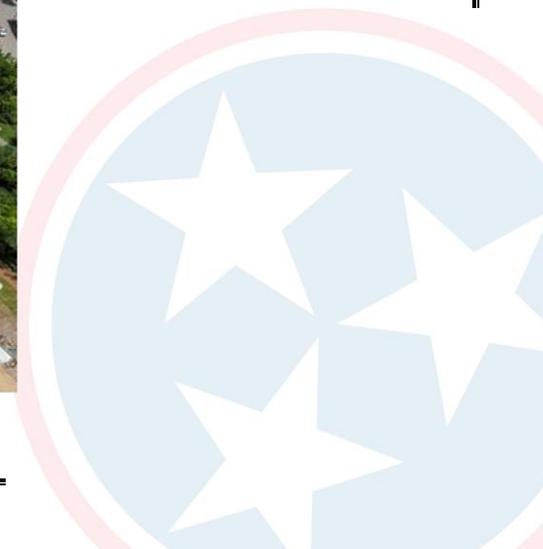

and footings for the walls are underway, with work on the vertical portion expected soon.

In June, traffic was shifted on SR 96 to allow for construction of retaining walls for the southeast ramp, which runs along the south side of SR 96 between the Rutherford County Maintenance facility and the Broad Street intersection. Pavement and curb have been removed from this area. Excavation for placement of the walls is expected to begin by the end of July.

Road widening work will be coordinated with retaining wall construction along the east side of Broad Street and the south side of SR 96.

All utility contractors are finalizing utility work, including paving and patching of trenches and general clean up.

As always, especially as activity increases, motorists are urged to use caution, reduce speed, and be alert to changing road conditions in the construction zone.

## TDOT SmartWay Mobile: A smart way to drive

You can now access up-to-date traffic information on Tennessee interstates and state routes in an easy-to-use format from your desktop or mobile device. Check out the new and improved TDOT SmartWay web application at [www.TNSmartWay.com/Traffic](http://www.TNSmartWay.com/Traffic).

### Key Project Notes

- Temporary signals installed at the Broad and Memorial intersection to remain in place through construction
- Portions of Broadmor Blvd. to remain closed until further notice
- Broad St. traffic to remain reduced from 7 to 5 lanes from West Main St. to Ridgely Rd.
- Work on ramps and retaining walls underway, road widening to begin soon

### Upcoming Events

- 3<sup>rd</sup> Friday Night Concert Series will be held at Cannonsburgh Village on July 17, 2015, 7:00 p.m. to 9:00 p.m., at 312 South Front Street.
- Main Street Saturday Market will be held at Public Square July through September, 8:00 p.m. to 12 noon.
- Main Street's Friday Night Live Concert Series will be held at Public Square July through September, 6:30 p.m. to 9:30 p.m.
