

Instructions for Applicants

- Applicants interested in any job classification(s) listed must submit and complete an online application. Please be sure to include your education and employment history regardless of the information you may have supplied in a previous application to DOHR. Applications will be rejected if required information is not provided.
- Each individual applicant must have his/her own account and must only use that one online account. If your email address changes, you should revise the email address on your existing online account.
- If you have any questions concerning the online application process please contact NeoGov applicant support at 1-855-524-5627 for assistance.
- To review current job classifications, employees must establish an online account.

To register for an online account, please visit:

<https://www.governmentjobs.com/>

- After arriving at site, click on “Sign In” at the top right of the page
- If you do not already have an account established, click on “Create one” under the sign in box
- Provide an email address, username, and password and click “Create”
- You may then sign into this account to create your profile (where you can upload your resume and enter all work and educational information) and also to view and apply for jobs

To review and apply for all current TDOT employment opportunities, please visit:

<http://www.tn.gov/tdot/topic/tdot-careers>

(NOTE: **Once you follow a link for any position posting under “Current Openings,” it will prompt you to log in to your Government Jobs account to apply, if you are not already logged in. If you are logged in, it will take you directly to the page from which you can apply for the position selected).

To review minimum qualifications, job descriptions, and compensation ranges for TDOT employment opportunities, please search for the job classification at:
