

NOTICE OF AVAILABILITY OF THE APPROVED FINDING OF NO SIGNIFICANT IMPACT

The Tennessee Department of Transportation (TDOT) in conjunction with the Federal Highway Administration (FHWA) has made available the approved Finding of No Significant Impact (FONSI) for the Interstate 40 (I-40) interchange at SR-196 (Hickory Withe Road) in Fayette County. The purpose of the proposed interchange is to provide improved interstate access for nearby communities and surrounding areas to serve transportation needs for this developing area into the future. The FONSI was approved for public review by the Federal Highway Administration on August 23, 2010 and is being made available as specified in 23 CFR 771.121. The Environmental Assessment (EA) was approved on January 25, 2010 and the NEPA Public Hearing was held in the project area on March 25, 2010. Comments concerning the FONSI document should be submitted in writing to Mr. Joe Matlock within 30 days of the publication of this notice at his address provided below. The approved FONSI and associated EA are available for public review at the following locations:
