

SUBMITTAL CHECKLIST

COMPONENT	DOCUMENTATION REQUIRED	DATA
Portland Cement	<input type="checkbox"/> Materials is on QPL, and <input type="checkbox"/> Complete Lab Test Report/Certification	Producer/Location _____ Type of Cement _____ Specific Gravity _____
Flyash, Clay and Shale	<input type="checkbox"/> Material is on QPL, and <input type="checkbox"/> Complete Lab Test Report/Certification	Producer/Location _____ Class of Flyash _____ Specific Gravity _____
GGBFS	<input type="checkbox"/> Material is on QPL, and <input type="checkbox"/> Complete Lab Test Report/Certification	Producer/Brand _____ Grade _____ Specific Gravity _____
Microsilica	<input type="checkbox"/> Material is on QPL, and <input type="checkbox"/> Complete Lab Test Report/Certification	Producer/Location _____ Grade _____ Specific Gravity _____
Coarse Aggregates	<input type="checkbox"/> Complete Lab Test Report	Producer/Type _____ Location _____ Specific Gravity _____ Absorption _____ Gradation _____ DRUW _____
Fine Aggregates	<input type="checkbox"/> Complete Lab Test Report	Producer/Type _____ Location _____ Specific Gravity _____ Absorption _____ Gradation _____ Fineness Modulus _____ DRUW _____ % of Tot. Agg. by Vol. _____
Chemical Admixtures	A. Water Reducer <input type="checkbox"/> Material on QPL B. Retarder <input type="checkbox"/> Material on QPL C. Accelerator <input type="checkbox"/> Material on QPL D. Water Reducer/Retarder <input type="checkbox"/> Material on QPL E. Water Reducer/Accelerator <input type="checkbox"/> Material on QPL F. HRWR <input type="checkbox"/> Material on QPL G. HRWR/Retarder <input type="checkbox"/> Material on QPL <input type="checkbox"/> All chemical admixtures are from the same manufacturer	Brand Name _____ Brand Name _____ Brand Name _____ Brand Name _____ Brand Name _____ Brand Name _____ Brand Name _____
Other Admixtures	AEA. Air Entrainer <input type="checkbox"/> Material on QPL LM. Latex Modifier <input type="checkbox"/> Material on QPL Fi. Fibers <input type="checkbox"/> Material on QPL LN. Lithium Nitrite <input type="checkbox"/> Material on QPL CI. Corrosion Inhibitor <input type="checkbox"/> Material on QPL Co. Coloring <input type="checkbox"/> Material on QPL	Producer/Brand _____ Producer/Brand _____ Producer/Brand _____ Producer/Brand _____ Producer/Brand _____ Producer/Brand _____
Design	<input type="checkbox"/> Mix Design Proportions	Technician _____ Certification No. _____
Properties: Plastic Concrete	<input type="checkbox"/> Lab Report	
Properties: Hardened Concrete	<input type="checkbox"/> Lab Report
