Amendment #205 is for a new project in Wayne County, project number 1491030 which includes work on Wright Ridge Road from the Natchez Trace Parkway to Little Cypress Road. Eastern Federal Lands Highway Division (EFLHD) has contracted with Wayne County for the delivery of this project. Federal Lands Access Program (FLAP) funds have been provided for the design and construction of the project. EFLHD states that it has included this project in its Transportation Improvement Program (TIP). The project consists of widening and resurfacing Wright Ridge Road and allowing wider traffic lanes in order to improve safety. Roadway resurfacing will consist of a 22-foot-wide typical section of new double bituminous mix asphalt. The project is to be managed and let to contract by Wayne County.
