

RESCHEDULED- NOTICE OF PUBLIC INFORMATION MEETING

A public meeting which was originally scheduled for March 5, 2015 from 5:00 PM to 7:00 PM at Liberty Elementary in Franklin, TN has been rescheduled to April 16, 2015. The March 5, 2015 was cancelled due to inclement weather.

The Tennessee Department of Transportation (TDOT) intends to host a public meeting for the proposed SR-397 (Mack Hatcher Parkway) extension project, which begins at US 31 (SR-6, Columbia Pike) south of Franklin and ends at US 431 (SR-106, Hillsboro Road) north of Franklin, in the City of Franklin, Williamson County. The focus of this public meeting is one segment (Segment 17) of the Selected Alternative (Alternative G) from south of SR-96 to just east of SR-106 (US 431, Hillsboro Pike).

The rescheduled meeting is to be held on **Thursday, April 16, 2015 from 5:00 PM to 7:00 PM** at:

Pearre Creek Elementary School
1811 Townsend Blvd.
Franklin, TN 37064

A brief presentation will be given at 5:15 PM and will be followed by a question-and-answer session and then an opportunity for attendees to view displays and speak with TDOT officials.

The construction of Segment 17 will be divided into two phases. The Phase I Interim Improvement will include the construction of a two-lane roadway, all side road improvements, a multi-use path, and a single-span bridge crossing of the Harpeth River. The Phase II Ultimate Improvement will include the four-lane divided facility as selected in the ROD, including a second single-span bridge crossing of the Harpeth River. The length of Segment 17 is approximately 3.23 miles.

This meeting will request public input on the project and the design modifications to Segment 17 that have occurred since the approval of the Record of Decision (ROD) on March 25, 2009. Modifications to Segment 17 include constructing the project in two phases and revising the roundabouts at State Route 96 and Del Rio Pike to signalized intersections. All other improvements associated with Segment 17, as presented in the project's Final Environmental Impact Statement (FEIS), are unchanged. The FEIS and ROD can be reviewed on TDOT's project website <http://www.tdot.state.tn.us/sr397/>. TDOT is currently preparing a Reevaluation of the ROD for Segment 17. Anyone with questions regarding this meeting should contact:

Darrell K. Moore
Tennessee Department of Transportation
505 Deaderick St., Suite 600
Nashville, TN 37243
615-532-3180
Darrell.Moore@tn.gov

Persons with a disability, who require aids or services to participate at the meeting, may contact Ms. Margaret Mahler at the following address no later than ten (10) days prior to the date of the meeting:

Ms. Margaret Mahler
TDOT ADA Compliance
Suite 400, James K. Polk Building
505 Deaderick Street
Nashville, TN 37243

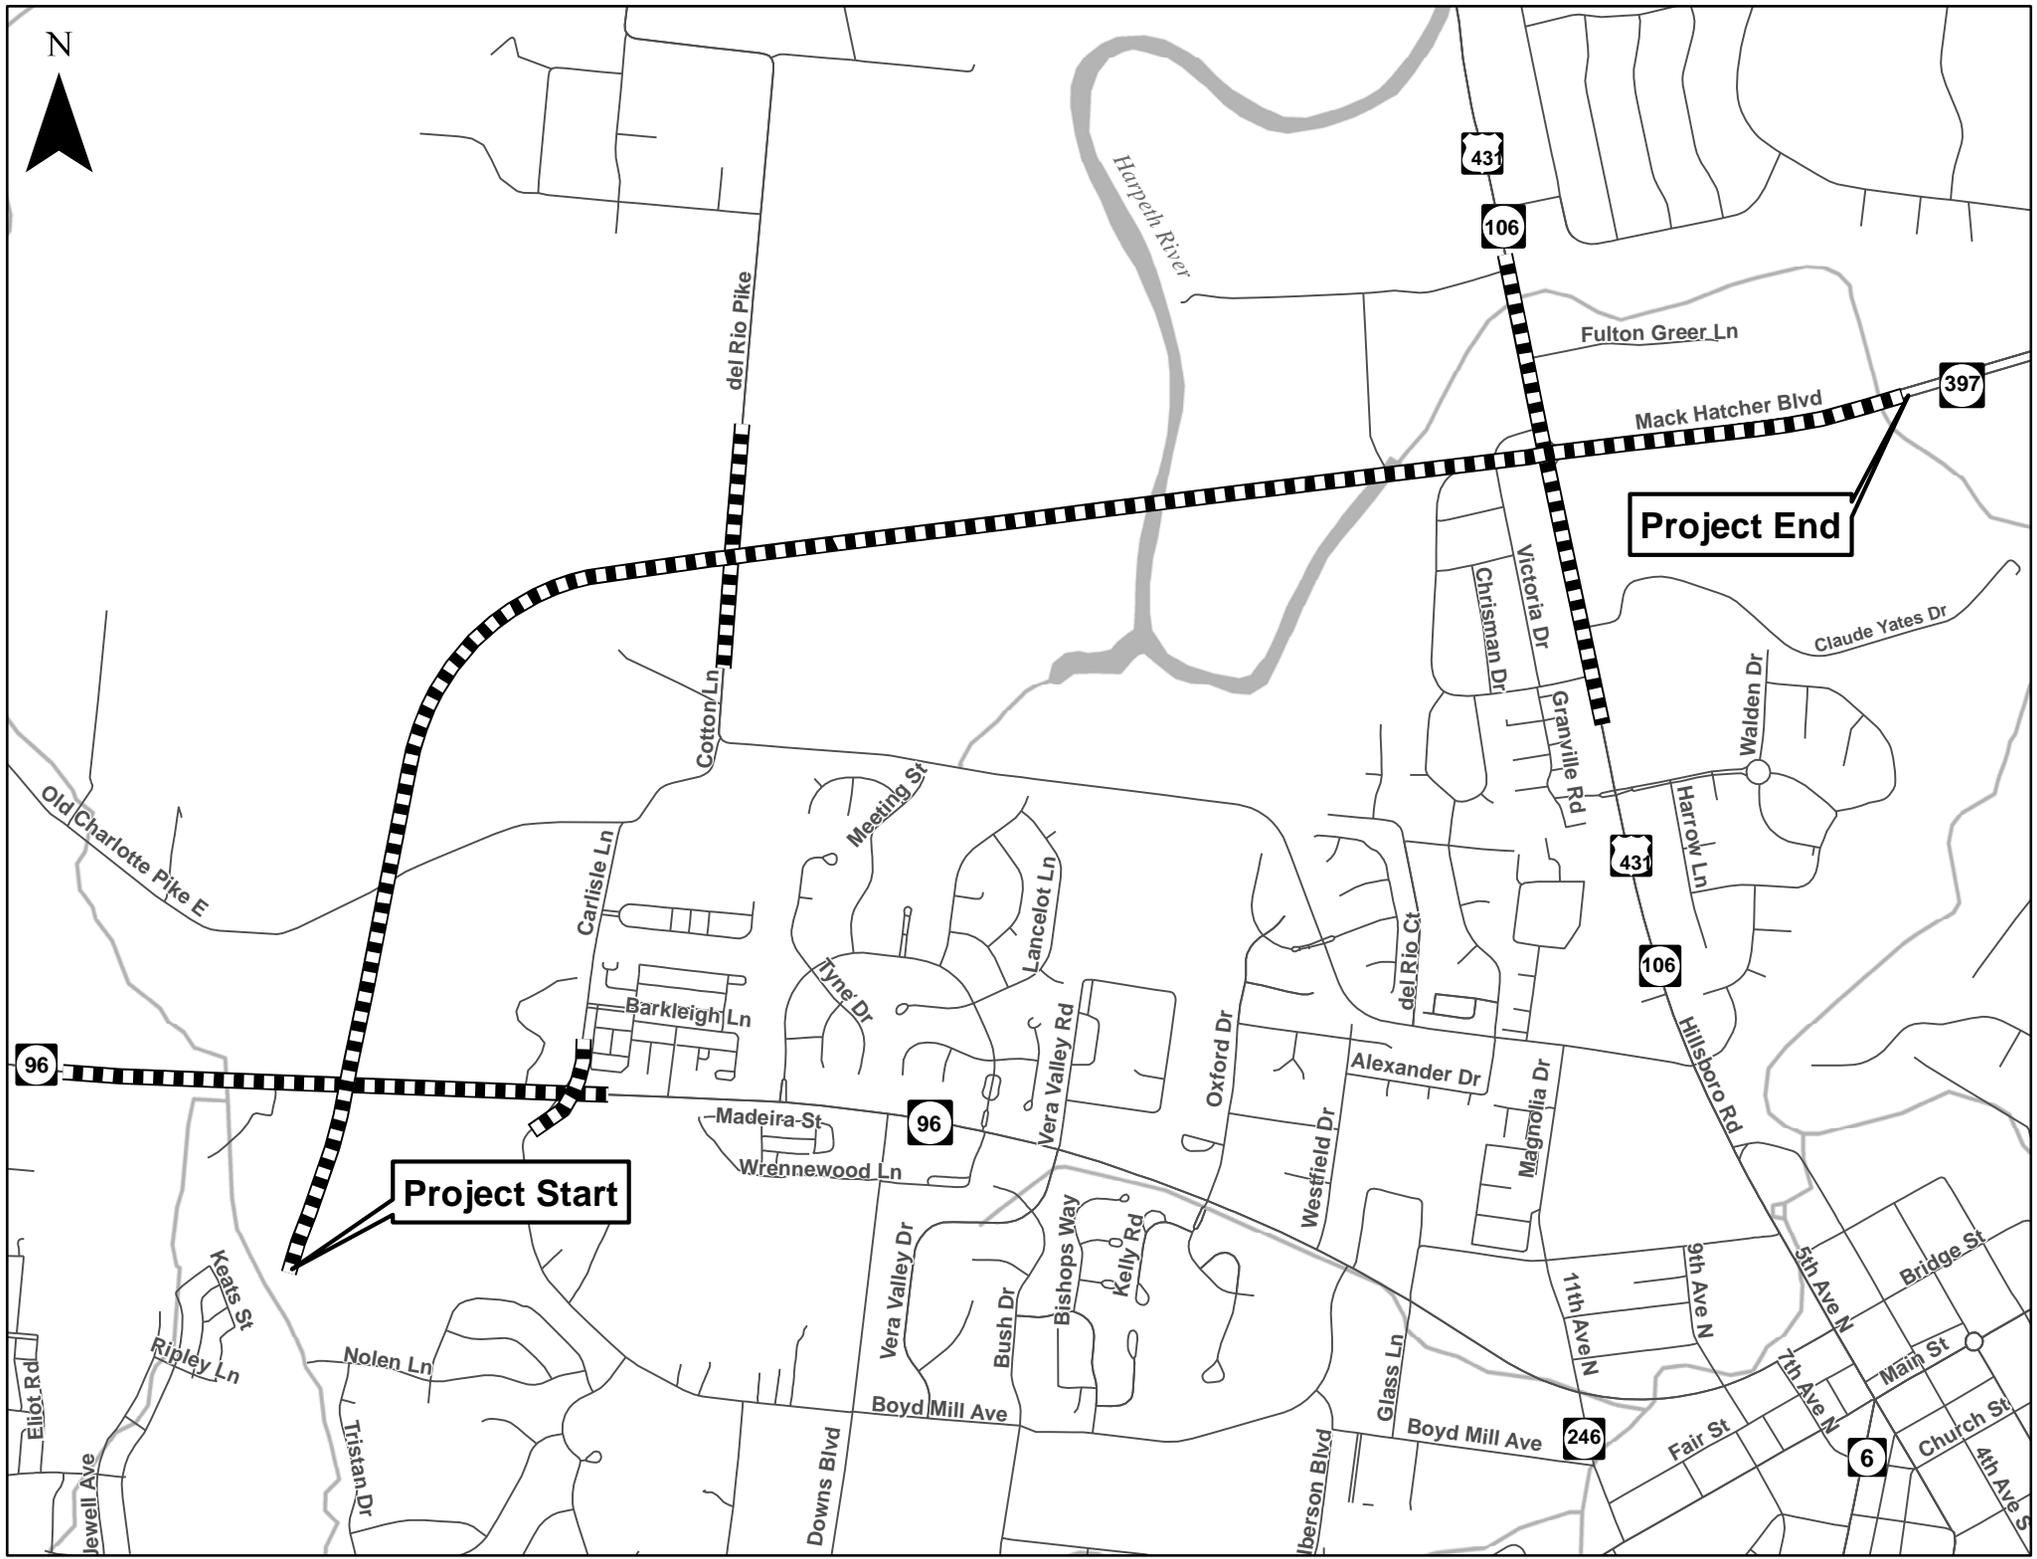

or by e-mail:

Margaret.Z.Mahler@tn.gov
615/741-4984 (phone)
615/532-5995 (fax)
615/253-8311 TTY Relay

All comments received at the meeting or within the specified comment period will be included in the official meeting transcript. A court reporter will be available to receive oral statements. In addition, comment cards are available for those who prefer to make written statements. Written statements and other exhibits may be submitted by May 7, 2015, by email to Tdot.comments@tn.gov, reference SR-397 (Mack Hatcher Parkway) Extension, or by mail to the following address:
