Tennessee Iron Horses

## Shortline Railroad Directory

Prepared by the  
Office of Rail and Water  
Tennessee Department of Transportation

November 2005

# PREFACE

The directory includes short line railroads that provide service in Tennessee. As noted in this directory, some of the lines are owned by public agencies and served by private companies under contract with the public agencies. Others are owned and operated by private companies. The directory also includes various other State and Federal railroad associates of Tennessee for your convenience.

Corrections, additions, or requests for additional information should be forwarded to:
