Master Certification

The University of Tennessee offers several educational programs for the agricultural industry. These programs are designed to provide hands-on experience in current management practices that are important to the profitability and sustainability of the industry.

Contact your local UT/TSU Extension office to inquire about educational course offerings.

- University of Tennessee | <u>utextension.tennessee.edu</u>
- Tennessee State University | <u>tnstate.edu/extension</u>

The following chart indicates master producer certificate eligibility by TAEP program year. Recertification is required if certificate was issued prior to 2021. If you are unsure when you earned your master course certification, please contact your local UT/TSU Extension Agent for assistance.
