# SUCCESS

**G**raduation ought not to be an end,  
**R**eplacing what within we might achieve.  
**A**fter all, the good that we intend  
**D**oes much to serve the good that we receive.  
**U**nderneath the mask of a diploma,  
**A** person must perform with just the skills,  
**T**he knowledge and the art that he or she  
**I**nternalized through hard work, perseverance & will.  
**O**n your way to a new phase of life, let  
**N**othing hinder positive progress and potential.
