

Early Postsecondary and Industry Credential Opportunities

Human Services

This document is a navigational tool for Local Education Agencies (LEAs) to highlight alternative avenues for the Tennessee Specific Industry Certification (TSIC) to enhance early postsecondary opportunities (EPSO) for students. LEAs possess the opportunity to proactively cultivate meaningful learning experiences that resonate with students' individual interests and career aspirations. This will foster flexibility and autonomy, equipping students with the requisite skills and knowledge for seamless transitions into postsecondary education and the workforce.
