Alternative Salary Schedule

Is the district implementing an alternative salary schedule? No

Education*

Educators are compensated for MA, Ed.S, and Ed.D. Compensation for Ed.S or Ed.D degrees will be limited to the degrees in the teacher's content area or in the area of curriculum & instruction supervision. Prior to enrolling in an Ed.S or Ed.D degree program, teachers are encouraged to submit a request to the Advanced Degree Review Committee to determine if the degree meets the guidelines of the pay plan. If approved, the teacher will be placed in the appropriate salary lane upon completion of the degree, provided documentation of appropriate licensure is provided to the Central Office.

Other

Teachers who attain National Board Certification will receive a one-time bonus or \$1,000.

*Education is not a differentiated pay element and does not count toward the mandated criteria.
