

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to air.pollution.control@TN.gov or Ms. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within 30 days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Construction permits issued by TDAPC do not grant any authority to operate, construct, or maintain any installation in violation of any law, statute, code, ordinance, rule, or regulation of the State of Tennessee or any of its political subdivisions.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848- 0298).

The applicant is Tennessee Valley Authority – Cumberland Fossil Plant with a mailing address of 815 Cumberland City Road, Cumberland City, TN 37050. The applicant seeks to obtain an air contaminant permit (Division identification number: 81-0011 and 981885) for construction at the following address: 815 Cumberland City Road, Cumberland City, TN. The permit request is for the following: a modification to increase the operating hours restriction from 876 hours per 12 consecutive months to 6,500 hours per 12 consecutive months (each) for two 349.2 MMBtu/hr oil-fired auxiliary boilers. The permit request is also for the construction of three 9.9 MMBtu/hr natural gas-fired dewpoint gas heaters. There would be physical construction. Regulated air contaminants are emitted by the modified source and would be emitted by the new source. Information regarding these sources can be found in the Division of Air Pollution Control Dataviewer link which can be found at the bottom of the Division of Air Pollution Control webpage.

Justin Dolzen is the assigned Division person.
