

2013 Lobbyist Registration Audit of Jill Stott

FINDINGS

Ms. Jill Stott failed to timely register as a lobbyist for her employer (See Registrations section).

EMPLOYER

- Mountain States Health Alliance

REGISTRATIONS

Ms. Stott registered as a lobbyist for one employer during 2013. Based on the audit documentation, Ms. Stott was an employee of Mountain States Health Alliance with duties that included lobbying during 2013. She was also registered as their lobbyist in 2012, thus the lobbyist had continuing lobbying relationship with her employer. Therefore, the lobbyist should have registered within 7 days of the commencement of the year which is January 8, 2013. Ms. Stott did not register until January 9, 2013, 1 day late.

LOBBYING AGREEMENTS

Based on a review of the audit documentation provided by Ms. Stott, she was a direct employee of the employer. The employer had no employment contract with the lobbyist employee. However, per statements of the lobbyist and review of her job description, it appears the terms of employment were within the statutes for lobbying activities including having no terms for contingency payments based on lobbying success.

FAMILY OR BUSINESS ARRANGEMENTS WITH PUBLIC OFFICIALS

Ms. Stott reported she had no business or familial relationships with persons who were officials in the legislative branch or officials in the executive branch.

TRAINING & FEES

Based on review of the Bureau of Ethics and Campaign Finance's lobbyist records, Ms. Stott fulfilled her required lobbyist training for the 2013 registration year and paid all registration fees.
