**Subject:** Code of Ethics adoption for Municipalities

Mr. Androphy,

I am writing you concerning a recent MTAS publication requiring municipalities to adopt a code of ethics and notify the Tennessee Ethics Commission that an ethics ordinance has been passed.

As a result, this is notification that the City of Collinwood has adopted the MTAS model ordinance on second reading on September 11, 2006.

If you have any questions feel free to contact me at the number below.

Sincerely,

Ryan S. Tyhuis
