4-102. Definition of "personal interest." (1) For purposes of §§ 4-103 and 4-104, "personal interest" means:

(2) The words "employment interest" include a situation in which an official or employee or a designated family member is negotiating possible employment with a person or organization that is the subject of the vote or that is to be regulated or supervised.

(3) In any situation in which a personal interest is also a conflict of interest under state law, the provisions of the state law take precedence over the provision of this chapter. (1969 Code, § 1-902, as replaced by Ord. #517, Jan. 2006)

4-103. Disclosure of personal interest by official with vote. An official with the responsibility to vote on a measure shall disclose during the meeting at which the vote takes place, before the vote and so it appears in the minutes, any personal interest that affects or that would lead a reasonable person to infer that it affects the official's vote on the measure. In addition, the official or employee may, to the extent allowed by law, charter, ordinance, or

4-105. Acceptance of gratuities, etc. An official or employee may not accept, directly or indirectly, any money, gift, gratuity, or other consideration or favor of any kind from anyone other than the city:

(1) For the performance of an act, or refraining from performance of an act, that he would be expected to perform, or refrain from performing, in the regular course of his duties; or

(2) That might reasonably be interpreted as an attempt to influence his action, or reward him for past action, in executing municipal business. (1969 Code, § 1-906, as replaced by Ord. #517, Jan. 2006)

4-106. Use of information. (1) An official or employee may not disclose any information obtained in his official capacity or position of employment that is made confidential under state or federal law except as authorized by law.

(2) An official or employee may not use or disclose information obtained in his official capacity or position of employment with the intent to result in financial gain for himself or any other person or entity. (1969 Code, § 1-907, modified, as replaced by Ord. #517, Jan. 2006)

4-107. Use of municipal time, facilities, etc. (1) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to himself.

(2) An official or employee may not use or authorize the use of municipal time, facilities, equipment, or supplies for private gain or advantage to any private person or entity, except as authorized by legitimate contract or lease that is determined by the city council to be in the best interests of the city. (Ord. #116, modified, as replaced by Ord. #517, Jan. 2006)

4-108. Use of position or authority. (1) An official or employee may not make or attempt to make private purchases, for cash or otherwise, in the name of the city.

(2) An official or employee may not use or attempt to use his position to secure any privilege or exemption for him or others that are not authorized by the charter, general law, or ordinance or policy of the city. (as added by Ord. #517, Jan. 2006)

4-109. Outside employment. A full-time employee of the city may not accept any outside employment without written authorization from the department head. (as added by Ord. #517, Jan. 2006)

4-110. Ethics complaints. (1) The city attorney is designated as the ethics officer of the city. Upon the written request of an official or employee

potentially affected by a provision of this chapter, the city attorney may render an oral or written advisory ethics opinion based upon this chapter and other applicable law.

(2) (a) Except as otherwise provided in this subsection, the city attorney shall investigate any credible complaint against an appointed official or employee charging when he acquires information indicating a possible violation, and make recommendations for action to end or seek retribution for any activity that, in the attorney's judgment, constitutes a violation of this code of ethics.

(b) The city attorney may request the city council to hire another attorney, individual, or entity to act as ethics officer when he has or will have a conflict of interests in a particular matter.

(c) When a complaint of a violation of any provision of this chapter is lodged against a member of the city's council, city council shall either determine that the complainant has merit, determine that the complaint does not have merit, or determine that the complaint has sufficient merit to warrant further investigation. If the council determines that a complaint warrants further investigation, it shall authorize an investigation by the city attorney or another individual or entity chosen by the city council.

(3) The interpretation that a reasonable person in the circumstances would apply shall be used in interpreting and enforcing this code of ethics.

(4) When a violation of this code of ethics also constitutes a violation of a personnel policy, rule, or regulation or a civil service policy, rule, or regulation, the violation shall be dealt with as a violation of the personnel or civil service provisions rather than as a violation of this code of ethics. (as added by Ord. #517, Jan. 2006)

4-111. Violations. An elected official or appointed member of a separate municipal board, commission, committee, authority, corporation, or other instrumentality who violated any provision of this chapter is subject to punishment as provided by the city council. An appointed official or an employee who violates any provision of this chapter is subject to disciplinary action. (as added by Ord. #517, Jan. 2006)
