

CLANDESTINE DRUG LAB CLEAN-UP MITIGATION PLAN CERTIFICATION

The _____ Judicial Drug and Violent Crime Task Force understands that as a result of the JAG federal award special conditions all drug task forces receiving JAG funding must have a mitigation plan in place for the clean-up, removal, and disposal of hazardous wastes found and seized at clandestine drug laboratories.

The Office of Criminal Justice Programs requires that every drug task force utilize the Tennessee Methamphetamine and Pharmaceutical Task Force (TMPTF) for clean-up.

I, the undersigned, certify that the _____ Judicial Drug and Violent Crime Task Force are part of and/or utilize the Tennessee Methamphetamine and Pharmaceutical Task Force (TMPTF), which has an approved mitigation plan, for the clean-up, removal and disposal of hazardous wastes found and seized at clandestine drug laboratories in order to be covered by the required mitigation plan.
