BID REQUEST: Quotes for Project Management Services for Implementation of Point Click Care

REQUESTED DATE: May 7, 2024

REQUESTING COMPANY: American Health Companies, LLC, (AHC)

DESCRIPTION: AHC is a company that owns and operates 28 skilled nursing facilities (SNF) across middle and western TN. AHC is implementing Point Click Care, a robust, patient-centered EHR product that will replace an EHR called MyUnity.

This bid request is for professional project management services specifically tailored for the transition from MyUnity to Point Click Care. The bidding company should provide the following services, at a minimum:

- Specific consulting and training during the Planning Phase of the PCC implementation
- Guidance and assistance in setup/configuration for the Pilot facility and Group 1 of facilities
- Completion of the PCC Data Collection Workbook/Tool
- Development of a “Playbook” of lessons learned that AHC can utilize for the duration of the implementation

BID PROCESS: If interested in offering a project management solution, please email your interest and quote to the following contact:
