Harpeth Wastewater Cooperative
RFP For HWC CCTV Services

To Whom It May Concern:

The Harpeth Wastewater Cooperative (HWC) is seeking proposals from qualified firms to provide inspection to their sanitary sewer collection system using CCTV in the Utility's sanitary sewer collection system as part of an ARP project.

Proposals shall be delivered to Inflo Design Group via email before 3:00 p.m. **May 30, 2024**. A Proposer may withdraw his proposal, either personally or by written request, at any time prior to the scheduled time deadline. As long as the proposals are complete, they may be submitted in PDF format via email if so desired to Kevin Colvett (kevin.colvett@inflodesign.com). Upon delivery, please request a "read receipt" or some mechanism of confirmation that the Proposal was received.

1. NAME OF OWNER

Harpeth Wastewater Cooperative
106 Mission Court, Suite 104A
Franklin, TN 37067

2. BACKGROUND

The Harpeth Wastewater Cooperative (HWC) is seeking proposals from qualified firms to provide inspection to their sanitary sewer collection system using CCTV in the Utility's sanitary sewer collection system as part of an ARP project. The goal of this effort will be to perform a condition assessment of the mains, connections, and manholes in the system. The work will consist of approximately 67,000 LF of CCTV inspection and gravity line cleaning at locations authorized by the Utility, along with approximately 340 manholes. All contracting services shall be performed under the guidance of HWC or their designated representative.

The purpose of this RFP is to solicit information and unit pricing from qualified firms for the specified CCTV/ cleaning services and to set forth the terms and conditions whereby HWC may enter into a contract to provide the services described herein. HWC reserves the right to negotiate and contract with any firm suited to provide the services described herein or to reject all proposals.

A map of the collection system is included with this RFP, however, one aspect of this work will be to update the map. The most current shape files will be provided upon request.

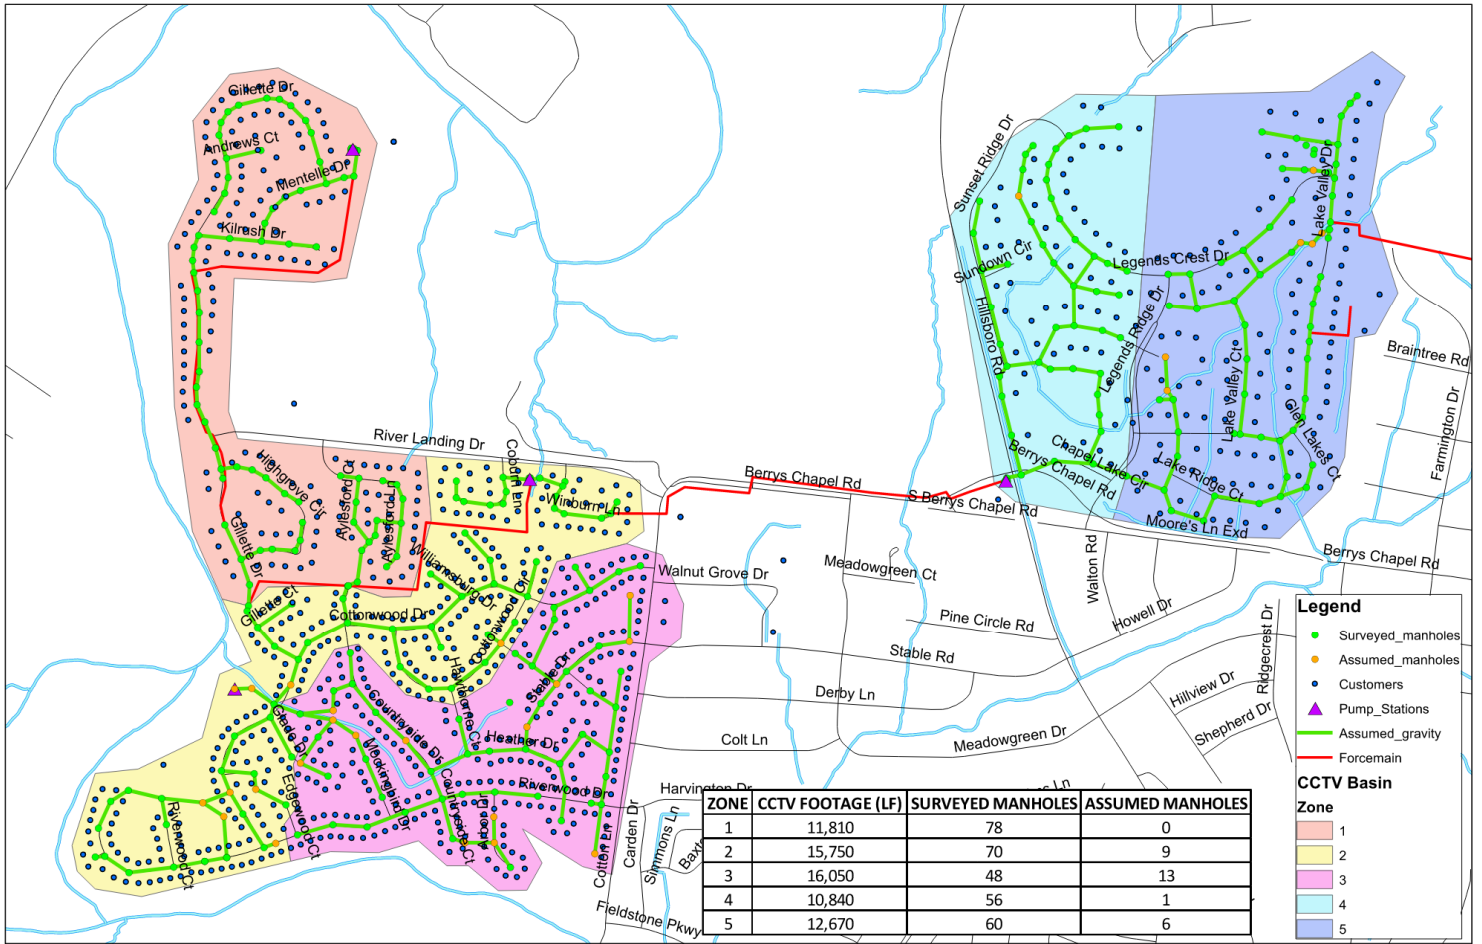

Figure 1: HWC Sewer System

3. INSTRUCTIONS TO BIDDER

3.1 GENERAL CONDITIONS

3.1.a General Information

HWC is preparing a thorough investigation of the existing sewer collection system. To accomplish this, HWC is seeking a qualified contractor to inspect portions of the sewer system. The methods to be used to perform these inspections will be CCTV investigations and video delivery and review.

All footage filmed is expected to be made available on as close to a real-time basis as is practical, as well as compiled and delivered to Inflo Design Group and HWC staff on a regular basis. Any inspection video deemed by Inflo Design Group or HWC not meeting the standards described herein will be required to be inspected again.

Additional information on the proposed project can be obtained by contacting Kevin Colvett at Inflo Design Group at kevin.colvett@inflodesign.com.

3.1.b Interpretation of Proposals

Questions or comments regarding these instructions or specifications shall be directed to the Engineer. The person submitting the request shall be responsible for its prompt delivery.

3.1.c Proposal Openings

Proposals shall be delivered to Inflo Design Group via email before 3:00 p.m. **May 30, 2024**. A Proposer may withdraw his proposal, either personally or by written request, at any time prior to the scheduled time deadline. As long as the proposals are complete, they may be submitted in PDF format via email if so desired to Kevin Colvett (kevin.colvett@inflodesign.com). Upon delivery, please request a "read receipt" or some mechanism of confirmation that the Proposal was received.

3.1.d Award or Rejection

The award will be based upon a variety of factors with percentage weights indicating the importance of each, including:

- Cost (50%)
- Quality and thoroughness of the proposal (12.5%)
- Exceptions taken within the proposal (12.5%)
- References (12.5%)
- Ability to comply with ARP requirements (12.5%)

HWC reserves the right to reject any or all proposals, to accept or reject any one or more items of a proposal, or to waive any minor irregularities or informalities in the proposal.

The intent is to select a proposal within 7 days of the proposal's due date.

3.2 SPECIFICATION

3.2.a Scope of Services

3.2.a.1 Task A. Access

- a. ENGINEER will provide tables and maps as they have available to assist the contractor in locating HWC facilities.
- b. ENGINEER will coordinate any inspections and ROW obstructions with HWC and the contractor. ENGINEER will accompany the contractor at any time the ENGINEER deems it necessary to stay abreast of the progress of the project.
- c. CONTRACTOR is responsible for providing notification to residents at least 24 hours in advance of entering their property. Should notification attempts fail, CONTRACTOR shall notify ENGINEER for assistance. HWC will provide CONTRACTOR with an informational flyer suitable for distributing to the public.

3.2.a.2 Task B. CCTV Inspection

1. Equipment

- a. Inspection Vehicle:
 - i. Equipped with monitoring equipment specifically compatible with sewer inspection equipment.
 - ii. Equipped with a safety backup alarm and traffic warning flashers.
 - iii. Clearly marked with the inspection company name and phone number.
 - iv. Traffic control and safety is solely the responsibility of CONTRACTOR.
- b. Inspection Equipment:
 - i. Inspection equipment that fails to produce satisfactory inspection quality shall be removed from the Work.
 - ii. Monitoring Studio:
 1. Equipped with independent power source.
 2. Equipped with lights.
 3. Temperature controlled.
 4. Size: Sufficient to allow seating for a minimum of two people in addition to operating technician.
 5. Television Monitor:
 - a. Locate in monitoring studio.
 - b. Capable of producing high quality color picture.
 - c. Continuous display during survey.
 - iii. Transport Platform:

1. Self-propelled, mounted on skid, or mounted on float.
 2. Sized for each pipe diameter in accordance with manufacturer's recommendations.
 3. Cables: 1,000 feet long, minimum.
 4. Equipped with tag line suitable for pulling camera backwards.
 5. Equipped with winch, power winch, TV cable, powered rewind, or other devices used to move camera through pipe.
 - a. When powered and controlled winches are used to pull television camera through line, provide telephones, radios, or other means of communication between the two manholes to ensure communications exist between crewmembers.
 6. Remote Reading Footage Counter:
 - a. Accuracy: 0.20 foot over length of section being inspected.
 - b. Counter display.
 - c. Marking on cable will not be allowed.
 - d. Calibration: Perform each day prior to setup.
 7. Secure cable, chains, and other devices used with camera so as not to obstruct camera view or otherwise interfere with proper documentation of sewer conditions.
- iv. Television Camera:
1. Closed-circuit color television camera.
 2. Sufficient for 8-inch diameters and in accordance with manufacturer's recommendations.
 3. Mounted on transport platform.
 4. Operative in 100 percent humidity conditions without lens fogging.
 5. Operative in hazardous and corrosive environment and specifically designed for pipeline inspection.
 6. Camera Lighting:
 - a. Mounted on and turned in direction of camera head.
 - b. Light Sensitivity: Greater than 1.5 lux minimum.
 - c. Minimize reflective glare.
 - d. Remote variable intensity control.
 - e. Provide clear, in-focus picture of entire inside periphery of pipe.
 - f. Ability to achieve proper balance of tint and brightness.
 7. Resolution:
 - a. Horizontal Resolution: 460 lines minimum.
 - b. Vertical Resolution: 400 lines minimum.
 - c. Meet or exceed monitor resolution.
 8. Rotation: 360 degrees.
 9. Pan and Tilt: 270 degrees, with adjustable supports designed for operation in connection with pipe inspection.
 10. Viewing Angle: 65 degrees, minimum.
 11. Focus and Iris Controls:
 - a. Automatic or remote.

- b. Remote control adjustment for focus and iris.
- 12. Focal Distance: Adjustable through range from 3 inches to infinity.
- 13. Zoom: Capable of 40:1 (10x optical, 4 times digital).
- v. Inspection Software:
 - 1. Inspection equipment shall utilize software capable of providing complete survey reports, inspection databases, and linked media files.
- c. Coding system shall be consistent with NASSCO standards in accordance with their Pipeline Assessment and Certification Program (PACP).

2. Data Collection:

Video inspection of sewer pipes shall be conducted between manholes during or shortly following wet weather. Each manhole-to-manhole section shall be identified separately by the individual manhole numbers, written upstream-downstream. All footage shall be preserved digitally in addition to or instead of film.

For each segment televised, CONTRACTOR shall provide video inspection of both upstream and downstream manholes, including barrel sections as well as pipe penetrations at the invert.

3. Method of Delivery:

Inspection footage shall be delivered to the ENGINEER and OWNER in any manner agreed upon with the CONTRACTOR and/or by the exchange of external hard drives provided by the CONTRACTOR. In previous experience, the ENGINEER has found the exchange of hard drives to be the simplest method. Delivery of inspection footage shall occur on a weekly basis.

4. Quality Control:

All inspection footage shall be of a quality sufficient to identify the location and severity of any defects in the structure of the facilities inspected. The ENGINEER will inspect as much footage as he shall deem necessary to feel confident that the delivered inspection footage and information will be thorough enough to make good recommendations to the OWNER. If any portion of the inspection footage is found to be for any reason insufficient, the CONTRACTOR will be responsible to re-inspect the portion at issue, at no additional expense to the OWNER.

3.2.b Schedule

The baseline services provided in this scope of work shall be generally performed over 3-4 wet-weather months after the effective date of this contract.

3.2.c Unit Costs

Interested firms are requested to provide the basic project costs in the table below. Costs for mobilization, field crew work, expenses, etc. are to be rolled into the unit costs below. Alternatively, interested firms may submit a separate cost proposal in their standard format.

Contractor’s Estimated Baseline Cost of Services

Equipment/Service	Unit Cost	Estimated Quantity	Total Cost
CCTV Inspection	_____ / LF	67,000	
Directed Heavy Cleaning	_____ / HR	40	
Lateral Launch as Directed	_____ / EA	50	
Manhole Inspection Deliverable	_____ / EA	340	

4. BID FORM AND PRICING

4.1 VALIDITY

Prices must be valid for a minimum of 30 days after the proposal due date.

4.2 PROPOSAL SUBMISSION

Each Bidder is required to submit the enclosed Bid Form. INCOMPLETE PROPOSALS WILL NOT BE ACCEPTED.

This Bid Form, fully completed and executed with an authorized signature, shall be used as the proposal.

The following submittals shall be included in the proposal and attached to the Bid Form. The Bidder shall place an "X" in each box confirming their inclusion in the proposal.

Submittal Checklist

- | | | |

EXHIBIT 1 - SUPPLEMENTARY CONDITIONS TO CONTRACT FOR SERVICES

Treasury ARP SLFRF financial assistance through the TDEC Non-Competitive SWIG Grant will be used to fund all or a portion of the contract. As such, this Agreement is subject to the following special provisions:

1. **Equal Employment Opportunity** - Executive Order 11246, as amended.
2. **Contract Work Hours and Safety Standards Act** - 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II(E)
3. **Clean Air Act** - 42 U.S.C. § 7401 et seq, as amended.
4. **Federal Water Pollution Control Act** - 33 U.S.C. 1251 et seq, as amended.
5. **Debarment and Suspension Regulations** - 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000.
6. **Byrd Anti-Lobbying Amendment** - 31 U.S.C. § 1352.
7. **Procurement of Recovered Materials** - Section 6002 of Solid Waste Disposal Act (T.C.A. §68-211-101 et seq.)
8. **False Claims Act** - 31 U.S.C. §§ 3729-3733, specifically 31 U.S.C. Chap. 38.
9. **Domestic Preference for Procurement** - As appropriate, and to the extent consistent with law, the consultant should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States.
10. **Access to Records Requirements** - Consultant shall agree to provide Treasury, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
11. **Compliance with Federal Law, Regulations, and Executive Orders** - The consultant shall comply with all applicable Federal law, regulations, executive orders, Treasury policies, procedures, and directives.

Although the nature of this work is service-related and not specifically construction of a capital improvement, the awarded contractor will need to provide HWC with evidence of satisfactory insurance coverage, including:

- Workers Compensation (statutory)
- Injury / liability - minimum of \$1,000,000

Supplier shall agree to follow these provisions throughout the duration of the Agreement.

APPENDICES
FOR THE
RFP FOR HWC CCTV SERVICES

 **Harpeth Wastewater Cooperative**

- A Sample Contract
- B ARPA Contractor Certifications

EXAMPLE AGREEMENT BETWEEN OWNER AND CONTRACTOR FOR CONSTRUCTION CONTRACT

This Agreement is by and between **Harpeth Wastewater Cooperative** (“Owner”) and **[name of contracting entity]** (“Contractor”).

Terms used in this Agreement have the meanings stated in the General Conditions and the Supplementary Conditions.

Owner and Contractor hereby agree as follows:

WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows: **2024 ARP Projects – [redacted]**

THE PROJECT

2.01 The Project, of which the Work under the Contract Documents is a part, is generally described as follows: **Flow Monitoring Services as Outlined in Proposal Dated [redacted]**

ENGINEER

3.01 The Owner has retained **Inflo Design Group, LLC** (“Engineer”) to act as Owner’s representative, assume all duties and responsibilities of Engineer, and have the rights and authority assigned to Engineer in the Contract.

CONTRACT TIMES

4.01 *Time is of the Essence*

A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.

4.03 *Contract Times: Days*

A. The Work will be substantially complete within 365 days after the date when the Contract Times commence to run as provided in Paragraph 4.01 of the General Conditions, and completed and ready for final payment in accordance with Paragraph 15.06 of the General Conditions within 90 days after the date when the Contract Times commence to run.

4.05 *Liquidated Damages*

A. Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed and Milestones not achieved within the Contract Times, as duly modified. The parties also recognize the delays, expense, and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty):

1. *Substantial Completion*: Contractor shall pay Owner \$TBD for each day that expires after the time (as duly adjusted pursuant to the Contract) specified above for Substantial Completion, until the Work is substantially complete.

- B. If Owner recovers liquidated damages for a delay in completion by Contractor, then such liquidated damages are Owner's sole and exclusive remedy for such delay, and Owner is precluded from recovering any other damages, whether actual, direct, excess, or consequential, for such delay, except for special damages (if any) specified in this Agreement.

- B. After Contractor achieves Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Times, Contractor shall reimburse Owner for the actual costs reasonably incurred by Owner for engineering, construction observation, inspection, and administrative services needed after the time specified in Paragraph 4.02 for Work to be completed and ready for final payment (as duly adjusted pursuant to the Contract), until the Work is completed and ready for final payment.

- C. The special damages imposed in this paragraph are supplemental to any liquidated damages for delayed completion established in this Agreement.

CONTRACT PRICE

- 5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents, the amounts that follow, subject to adjustment under the Contract:
 - A. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit.

PAYMENT PROCEDURES

- 6.01 *Submittal and Processing of Payments*
 - A. Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

- 6.02 *Progress Payments; Retainage*
 - A. Owner shall make progress payments on the basis of Contractor's Applications for Payment on or about the **1st** day of each month during performance of the Work as provided in Paragraph 6.02.A.1 below, provided that such Applications for Payment have been submitted in a timely manner and otherwise meet the requirements of the Contract. All such payments will be measured by the Schedule of Values established as provided in the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no Schedule of Values, as provided elsewhere in the Contract.
 1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Owner may withhold, including but not limited to liquidated damages, in accordance with the Contract.
 - a. 95 percent of the value of the Work completed (with the balance being retainage).
 - b. 95 percent of cost of materials and equipment not incorporated in the Work (with the balance being retainage).

- B. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to 100 percent of the Work completed, less such amounts set off by Owner pursuant to Paragraph 15.01.E of the General Conditions, and less 200 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the punch list of items to be completed or corrected prior to final payment.

6.03 *Final Payment*

- A. Upon final completion and acceptance of the Work, Owner shall pay the remainder of the Contract Price in accordance with Paragraph 15.06 of the General Conditions.

6.04 *Consent of Surety*

- A. Owner will not make final payment, or return or release retainage at Substantial Completion or any other time, unless Contractor submits written consent of the surety to such payment, return, or release.

6.05 *Interest*

- A. All amounts not paid when due will bear interest at the rate of 1.0 percent per annum.

CONTRACT DOCUMENTS

7.01 *Contents*

- A. The Contract Documents consist of all of the following:
 - 1. This Agreement.
 - 2. Bonds:
 - a. Performance bond (together with power of attorney).
 - b. Payment bond (together with power of attorney).
 - 3. General Conditions.
 - 4. Supplementary Conditions.
 - 5. Specifications as listed in the table of contents of the project manual (copy of list attached).
 - 6. Exhibits to this Agreement (enumerated as follows):
 - a. Contractor's Proposal
 - 7. The following which may be delivered or issued on or after the Effective Date of the Contract and are not attached hereto:
 - a. Notice to Proceed.
 - b. Work Change Directives.
 - c. Change Orders.
 - d. Field Orders.
 - e. Warranty Bond, if any.
- B. The Contract Documents listed in Paragraph 7.01.A are attached to this Agreement (except as expressly noted otherwise above).

- C. There are no Contract Documents other than those listed above in this Article 7.
- D. The Contract Documents may only be amended, modified, or supplemented as provided in the Contract.

REPRESENTATIONS, CERTIFICATIONS, AND STIPULATIONS

8.01 *Contractor's Representations*

- A. In order to induce Owner to enter into this Contract, Contractor makes the following representations:
 - 1. Contractor has examined and carefully studied the Contract Documents, including Addenda.
 - 2. Contractor is familiar with all Laws and Regulations that may affect cost, progress, and performance of the Work.
 - 3. Contractor has considered the information known to Contractor itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Contract Documents; and the Technical Data identified in the Supplementary Conditions or by definition, with respect to the effect of such information, observations, and Technical Data on (a) the cost, progress, and performance of the Work; (b) the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor; and (c) Contractor's safety precautions and programs.
 - 4. Based on the information and observations referred to in the preceding paragraph, Contractor agrees that no further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract.
 - 5. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.
 - 6. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and of discrepancies between Site conditions and the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.
 - 7. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
 - 8. Contractor's entry into this Contract constitutes an incontrovertible representation by Contractor that without exception all prices in the Agreement are premised upon performing and furnishing the Work required by the Contract Documents.

8.02 *Contractor's Certifications*

- A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 8.02:

1. “corrupt practice” means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process or in the Contract execution;
2. “fraudulent practice” means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

8.03 *Standard General Conditions*

- A. Owner stipulates that if the General Conditions that are made a part of this Contract are EJCDC® C-700, Standard General Conditions for the Construction Contract (2018), published by the Engineers Joint Contract Documents Committee, and if Owner is the party that has furnished said General Conditions, then Owner has plainly shown all modifications to the standard wording of such published document to the Contractor, through a process such as highlighting or “track changes” (redline/strikeout), or in the Supplementary Conditions.

IN WITNESS WHEREOF, Owner and Contractor have signed this Agreement.

This Agreement will be effective on _____ (which is the Effective Date of the Contract).

ACKNOWLEDGEMENT REGARDING BIDDER SAM REGISTRATION

Contractors procured directly by grantees, sub-grantees, and/or sub-recipients of American Rescue Plan Act (ARPA) funds, are required to have an active registration in the System of Award Management (SAM). This document shall be completed and submitted as part of the bid proposal.

1. By submitting this proposal, the prospective bidder certifies that it has an active registration in SAM that is not set to expire within the next 90 days.
2. By submitting this proposal, the prospective bidder certifies neither it, its principals nor affiliates, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
3. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that an erroneous certification was rendered, in addition to other remedies available to the Federal Government, the Department or agency with which this transaction originated may pursue available remedies.
4. Further, the prospective bidder shall provide immediate written notice to the person to which this proposal is submitted if at any time the Participant learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. By submitting this proposal, it is agreed that should the proposed covered transaction be entered into, the prospective bidder will not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction unless authorized by the agency with which this transaction originated.
6. It is further agreed that by submitting this proposal, the prospective bidder will include Certification of Subcontractor Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion without modification, in all lower-tier covered transactions and in all solicitations for lower-tier covered transactions.

Provide the following information as detailed in the prospective bidder's SAM registration:

Entity Name _____

Address _____

City: _____ State: _____ Zip: _____

SAM Entity ID: _____ Expiration Date: _____

Active Exclusions: Yes No

CERTIFICATION OF BIDDER REGARDING EQUAL EMPLOYMENT OPPORTUNITY

This certification is required pursuant to Executive Order 11246 (30 F. R. 12319-25). The implementing rules and regulations provide that any bidder or prospective contractor, or any of their proposed subcontractors, shall state as an initial part of the bid or negotiations of the contract whether it has participated in any previous contract or subcontract subject to the equal opportunity clause; and, if so, whether it has filed all compliance reports due under applicable instructions.

Where the certification indicates that the bidder has not filed a compliance report due under applicable instructions, such bidder shall be required to submit a compliance report within seven calendar days after bid opening. No contract shall be awarded unless such report is submitted.

Certification by Bidder

Bidder/Firm: _____

Address: _____

City: _____ State _____ Zip _____

1. Bidder has participated in a previous contract or subcontract subject to the Equal Opportunity Clause. Yes No
2. Compliance reports were required to be filed in connection with such contract or subcontract. Yes No
3. Bidder has filed all compliance reports due under applicable instructions, including SF-100. Yes No None Req.
4. Have you ever been or are you being considered for sanction due to violation of Executive Order 11246, as amended? Yes No

CERTIFICATION BY PROPOSED SUBCONTRACTOR REGARDING EQUAL EMPLOYMENT OPPORTUNITY

NAME OF PRIME CONTRACTOR: _____

PROJECT NUMBER: _____

This certification is required pursuant to Executive Order 11246 (30 F. R. 12319-25). The implementing rules and regulations provide that any bidder or prospective contractor, or any of their proposed subcontractors, shall state as an initial part of the bid or negotiations of the contract whether it has participated in any previous contract or subcontract subject to the equal opportunity clause; and, if so, whether it has filed all compliance reports due under applicable instructions.

Where the certification indicates that the subcontractor has not filed a compliance report due under applicable instructions, such subcontractor shall be required to submit a compliance report before the owner approves the subcontract or permits work to begin under the subcontract.

SUBCONTRACTOR'S CERTIFICATION

Subcontractor Name: _____

Address: _____

City: _____ State _____ Zip _____

1. Bidder has participated in a previous contract or subcontract subject to the Equal Opportunity Clause. Yes No

STATE OF TENNESSEE

BYRD ANTI-LOBBYING AMENDMENT CERTIFICATION

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352.

Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING – REQUIRED FOR CONTRACTS OVER \$100,000 *Certification for Contracts, Grants, Loans, and Cooperative Agreements*

The undersigned certifies, to the best of his or her knowledge and belief, that:

- No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION
AND OTHER RESPONSIBILITY MATTERS

The prospective participant certifies to the best of its knowledge and belief that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
- Have not within a three-year period preceding this proposal been convicted of or had a civil judgement rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and
- Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.

I understand that a false statement on this certification may be grounds for rejection of this proposal or termination of the award. In addition, under 18 USC Sec. 1001, a false statement may result in a fine of up to \$10,000 or imprisonment for up to 5 years, or both.

NON-BOYCOTT OF ISRAEL CERTIFICATION

The Bidder certifies that it is not currently engaged in, and will not for the duration of the contract engage in, a boycott of Israel as defined by Tenn. Code Ann. § 12-4-119. This provision shall not apply to contracts with a total value of less than two hundred fifty thousand dollars (\$250,000) or to contractors with less than ten (10) employees.

According to the law, a boycott of Israel means engaging in refusals to deal, terminating business activities, or other commercial actions that are intended to limit commercial relations with Israel, or companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel to do business, or persons or entities doing business in Israel, when such actions are taken:

- 1) In compliance with, or adherence to, calls for a boycott of Israel, or
- 2) In a manner that discriminates on the basis of nationality, national origin, religion, or other unreasonable basis, and is not based on a valid business reason. Tenn. Code Ann. § 12-4-119.
