

**Henderson Industrial Park Phase III
Clearing and Grading
The City of Henderson, Tennessee
TLM Job No.: J-7056**

ADDENDUM NO.: 3

07/23/2024

This Addendum shall apply to the Drawings and Specifications for the above-referenced project and shall be bound into and made a part of the Construction Documents issued by TLM Associates, Inc., titled as indicated above.

- Item No. 1:** It is the engineer's intent that cut and fill balance on this job. Contractor may adjust final grades in the project area, ± 1 foot, in coordination with the engineer to achieve balance.

- Item No. 2:** Refer to Specification Section 32 92 00 paragraph 3.5 for maintenance required of seed and sod.

- Item No. 3:** Coverage under a TDEC Construction General Permit has already been obtained for the site. The contractor shall sign onto the existing permit and be responsible for the work outlined in the construction drawings.

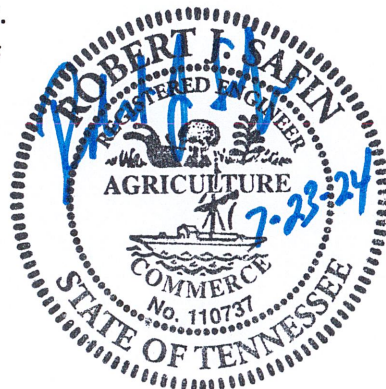

- Item No. 4:** Contractor may burn trees on site with the remains being properly disposed offsite. Contractor is responsible for obtaining and paying for burn permit

- Item No. 5:** Any excavated rock from the site can be wasted within the property and does not have to be hauled off. See the revised sheet C1.1 – Site Clearing Plan showing approximate location of rock waste area attached. Rock to be distributed and not stockpiled.

Please acknowledge receipt of this Addendum in the appropriate location on the Bid Form.

Sincerely,

TLM ASSOCIATES, INC.
