

Cocke County Partnership ARC Project # 21244

The Cocke County Partnership seeks cost proposals to complete an archeological survey for a site scheduled to undergo construction for a new wastewater line connecting two pump stations. Interested firms should reach out to Ginger Stout, gstout@etdd.org and CC Mitch Loomis, mloomis@etdd.org. Emails will be sent with engineering drawings and State regulation requirements. Request for qualifications will be due by July 18, 2024.
